Book Parade At County Library

Robin Hood, Hells, the Cowardly Lion and Peter Pan were but a few of the 70 beloved people who were put out of story books to delight some 200 spectators watching the book parade in the County Library headquarters in Port Angeles on Saturday, November 6.

Prizes were awarded to the children with the best costumes. The grand prize, was donated by the Olympic Stationers. In addition Mrs. Alfred Tinkham and Mrs. Richard Carlson presented gift certificates to be used for the purchase of books.

Adding much to the pleasure of the occasion were the hobby exhibits prepared by grade 6 children. One of the most unusual exhibits that displayed by Kathryn Anderson of Forks, which consisted of pictures of cats and Kathryn's own writings about these self-confident felines.

Mr. Clyde Shore, chairman of the County Library Board, and Librarian Hope Hodges greeted the guests as they arrived. General control was Mrs. Harry Lydland, president of the County Friends of the Library.

Tyce-Sapaho News

Mrs. Nancy Stratton, mother of Mrs. Robert Cunningham, died last week in a Spokane nursing home, and was buried Thursday in the Masonic Cemetery, at Elmas. She is survived by a son and two daughters, 14 grandchildren and 38 great grandchildren.

Mr. and Mrs. Lewis Dawkins came up from California about two days ago and are now making their home in Forks. Mrs. Florence Anderson came out from Seattle last Saturday to visit her nephew, Fred Anderson and family only to find her son hunting. Mrs. Anderson visited Mrs. Anderson for a short while and then left for home.

Mr. and Mrs. R. E. Eaton and daughter Laurie went to Port Orchard Saturday to visit Mr. and Mrs. Jim Webb and returned home Sunday. On Saturday afternoon Mrs. Webb, Mrs. Eaton and Laurie attended the opening of the Self-Service Postal Station at Lakewood, a suburb of Tacoma.

Mr. and Mrs. Les Pooler, Sr. of Hoko Camp, Sekiu, and her nephew, Richard Eaton of Seattle, also attended the game. They returned home that evening.

Herb Welch returned Monday to his home in Shelton after working for two weeks at the Honor Camp at Clallam Bay. He called on his parents, Mr. and Mrs. Walt Mason at Forks, and on Mrs. Welch's parents, Mr. and Mrs. John Merritt.

THANK YOU

We wish to thank everyone who made our golden wedding anniversary such a happy event. The lovely cards and letters are deeply appreciated. Mr. and Mrs. Carl Wahlgen

118 E. Forks Port Angeles

The high speed durability of today's rayon tire cord is the most significant development in tire safety technology in years.

To prove this superior toughness, rayon police tires were compared with nylon police tires at the Nevada Automotive Test Center.

After 900 miles of hard driving at 125 mph - in a normally inflated, 9% overload condition (1964-65 Tire & Rim Association

standards) - two points became obvious: Tread cracked at a rate four times faster in nylon tires; and Tire stability and tracking were far superior in today's rayon cord tires.

NO EXTRA COST Surprisingly, advanced rayon tire cord is available at no extra cost. Yet the tire built around rayon has a tough, strong carcass, one that's unexcelled by any other tire on the road. And rayon delivers outstanding driving economy and

comfort advantages - advantages acknowledged by the tire and auto industries.

WHERE DOES RAYONIER COME IN? Rayonier is very interested in tire cord and tire safety. We work very closely with the rayon industry to produce advanced grades of chemical cellulose, the basic raw material in today's rayon cord tires.

It's such special markets as tire cord which draw upon our forest, mill and research resources and thus help to provide good steady jobs in the Southeast, the Pacific Northwest and British Columbia.
