FREEDOM SHARES

What are they? Who may buy them?

Americans have put their savings to work of the same or larger denominations as a for freedom through U.S. Savings Bonds for many years. New Freedom Shares do the same job . . . plus. Read how. Freedom Shares are U.S. Savings Notes. They pay a higher return than Savings

Bonds, 4.74% when held to maturity. And they mature in just four-and-a-half years. For regular Bond buyers only These new Freedom Shares-which are not redeemable for the first year—are offered on

a one-for-one basis with E Bonds, but only to people who belong to the Payroll Savings Plan where they work or the Bond-a-Month Plan where they bank. There are four

denominations of Freedom Shares, each of which may be paired with a Series E Bond
