Thirty years ago, something happened—and that something is affecting your life today.

Today is Rayonier's birthday.

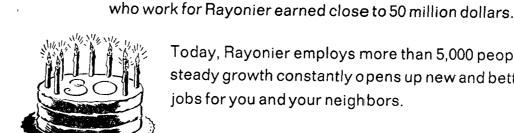

Exactly 30 years ago, three small companies merged and became Rayonier, a company that is now world famous

Considering its short history, one of the aspects

of Rayonier that is amazing is its economic impact on you, your family and your community.

In only 30 years, Rayonier has poured nearly two billion dollars into its plant community areas.

By paying wages, salaries and taxes, and by paying for fringe benefits, raw materials, supplies and new construction, Rayonier is continuously pumping money into the local economy. In 1966 alone, the people

Today, Rayonier employs more than 5,000 people, and its steady growth constantly opens up new and better jobs for you and your neighbors.

So all of us have a lot more to look forward to. After all, you're only as young as you feel and we're feeling 30 years young today.
