### Short Comings ... | Memorial Day Support the Little League pro-

gram. Little Leaguers are selling buttons and several business estab-

their children drive cycles without licenses. Parents will be charged park. according to word from the town speech by Oliver Jackson.

A "1960 Chev" owned by Mrs. invited to join the march. Irene Roark was stolen from in front of the Vagabond last week. Mrs. Roark had the keys, so evidently it was hot wired.

Phil Riebe reports that two children have been caught shop-He would like to point out that irregardless of the price of the item stolen, charges will have to be brought against the offenders. Wandered thru the park area

Saturday to look over the situation first hand. Many individuals have been complaining about the ineffectiveness of the park board to get things done. It seems apparent that cooperation and a comprehensive plan plus

some extra financial support are the things the park board needs. Hats off to Mrs. Sanford Windle for her efforts in the campaign to make the baseball field at the park fit to play ball on.

This community has its share of beer drinking litterbugs. Seems as

if you can journey about the area any Sunday and see bottles sitting around and be careful to dodge the ones on the sidewalks and streets. Kids climbing on the train should also beware of the broken glass. **\* \* \*** Noticed Farrel Thomas scooting across town on his lawnmower.

Said he had a job to do, but when he got there, the grass was left not bare, 'cause his little old lawn mower wouldn't work. Boat basin at La Push is beginning to fill rapidly with fishing boats. The dredge is presently working the river area to clear the chan-

usually wait until the height of the tourist season to begin dredging work. **\* \* \*** Have we heard correctly? There

nel for better boat navigation. They

is going to be a demolition derby this year! **\* \* \*** The Fourth of July is only one month plus a few days away. Start

planning that float, so we can make

this the biggest 4th ever. **\*** \* \* Jeff E. Klahn of the University of Chicago from Forks, Washington will gain practical experience in natural history museum work beginning in June, by assisting scientists at Field Museum under a summer scholarship-work program set up by the Ernest G. Shirner Founda-tion of Chicago and Field Museum of Natural History.

Jeff was among 9 selected b Field Museum from 62 applicants studying at 39 different universities and colleges in the United States.

### SEKIU TO GET NEW POST OFFICE

Congressman Lloyd Meeds today announced that the U. S. Post
Office Department plans a new
postal facility at Sekiu. The U. S. Post Office plans to call for bids this summer on a new facility which will represent a 514 square foot increase in interior floor space and add 80 square feet of platform space and 3,000 square feet of parking area.

The present facility has 546 square feet of space, and no platform or parking area, Meeds said.
