this year despite all the advanced publicity given to the modern counting machines. Final results were changing through last Friday and some races will depend upon the outcome of the absentee ballots. According to the law, absentee ballots have to be counted within 10 days after the election.

President elect Richard Nixon won the presidential race by a larger margin over Hubert H. Humphrey than his margin of loss to the late John Kennedy.

In 1960, Kennedy beat Nixon by 118, 574 votes or .2%. Nixon beat Humphrey by 284, 117 or . 4% of the popular vote.

The West End area has had its share of tragedy this year with 6 of the 7 county traffic fatalities recorded in this area.

This area seems to have more than its share of vehicle accidents. Why? One would think there would be less chance of accidents in a densly populated area.

Weather plays an important part in our traffic problems, but liquid of another form can be connected directly to the majority of accidents that have occured.

Elk hunting continued on the successful side as hunters continued to flush them out.

One hunter was displaying a large rack of horns on his pickup around the area. It was displayed for several days and

Dear Editor: Today I received a copy of the Forks Forum, and was pleasantly surprised and very happy to see it. It has been quite sometime since I have been able to read the local

I am now stationed in Tay Ninh, Run.; and the paper from home seems to make my day

complete Thanks to my Mother, Anita Ellis, I am now able to keep abreast the local happenings from home, also it is a wonderful feeling to know, that the Forks Forum is able to offer the paper to guy's overseas, it is greatly appreciated and is a great paper from a great City. Thank You Very Much

Ssg. Robert R. Pruett B-Btry, 127 Arty APO S.F. 96216

From: SSG E-6 James R. Quinby RA 19 593 281

HHB 23rd Arty. Group APO SF 96289

Dear Editor and Wonderful Staff; I wish to give you my sincere thanks for a job being well done. Please keep up the good work.

Each week I receive the Forks Forum on time which keeps me well informed of all the latest happenings around town. Each week, from the kindness

of your heart you send your newspaper FREE OF CHARGE to all the Forks men who are serving their country here in Viet-Nam. Some of these men you have never even met, and some of them you may never get to meet. But still you send your newspaper to them.

The Forks Forum shows that there is still someone who remembers us even if it's only a single thought for only a moment or a small prayer said in their church but to show, we are not

forgotten. Each week I receive your newspaper and I assure you I look forward to reading it each time with renewed interest. Your newspaper may not be the largest in the state but to me

you are the tops. I only wish that some of the home town readers would think about this letter and take a few minutes of their time to go to your office and shake your hands to let you know you are doing an outstanding job. To down grade someone seems to be very easy for some people for some reason or another, and to say thank you seems to

be the hardest thing to say. I sincerely believe that this letter speaks not only for myself but also for all the Forks MEN who are now over here

Once again I would like to say for myself and all the other Forks men, THANK YOU VERY-VERY MUCH and may God bless each and every one

Sincerely Yours, SSG E-6 James R. Ouinby

LETTERS TO THE EDITOR

Dear Editor Forum (and sub-

In 1889 Washington became a State and the people of Upsound looking across the water to the West saw the Olympic Mountains glorified by the first settlements, and as the Indians had from who knew how long before that. Up to then there had been no proper recorded investigation of what the mountain mass might contain or what might he between them and the Pacific. Settlement had it is true, crept down into

the forests as far as Forks and north from Grays Harbor to Lake Quinault but between around here now are imports. them was Terra Incgnita the

unknown land. True around 1890 some hardy explorers did penetrate these forests of the West Olympics but they didn't write of their adventures. In 1889, people of the outside did develop a lively curiousity and expeditions were planned each of course jealous to be the first. "The Press" of Seattle therefore financed a six man exploration team to be the first to explore the Olympics and in fear that they might have rivals these men set out in the late fall of 1889 up the Elwah and five months later There are also some excellent they emerged at Lake Quinault books or the subject based on (1890). They the five that completed the trin (one was forced to turn back before the expedition really got on the

top) kept a day to day journal, recorded their hardships and adventures named mountains and streams right and left and shot elk, deer and bear for From these records we know that the Olympic Peninsula had native elk, even in its remote The decendants of the settlers that entered from the North and South also testify that their grandparents knew the elk, well

as 1870 (maybe earlier). So the elk of the Olympic Peninsula an offshoot of the coast elk have "always" been here. Always is of course not the word but we take license to

We know that according to archeological and geological records the white man as he advanced across the continent ound the elk practically everywhere from the Rockies to the Atlantic seaboard but that there seem to be protecting? was an area between the Rockies and Cascades or maybe even the coast range where there were no elk, a kind of hiatus as it were in elk dis-

distrubuted, practically every-

where on the Peninsula as early

The Olympic Peninsula (and its mountains) is an old land. It truct" mechanisms to prevent apparently at times has existed as an island for various periods of time. It is therefore understandable that the elk there should differentiate some from the rest of the coast range elk extended in range down thru

coastal Oregon into Northern Califorria where there is another division known as the Tule elk also recognizable.

The elk of the Olympic Peninsula have been here since prehistoric times. They are native. They have thru isolation developed sufficient difference from other elk so that biologists have deemed them entitled to a name of their own. They have been named the Roosevelt Elk. Theodore Rocsevelt who concerned

himself with their protection. Somewhere, somehow, the erroneous information has gone out that there is no such animal as a Roosevelt Elk, that the elk

Elk were not imported to the Peninsula, on the contrary elk from here have in the past been exported. The mountain goats now in the Olympics came here as a trade operation, for some elk my family raised for the State many years ago. There are also elk in Alaska that came from the Hoh; (thriving very well they tell me). R.O. Walgren, Minnie Peterson, Charles Lewis, Jack Fraker, Dora Richmond all Forks address and many others of the older generation know the facts about our

long studies of the U.S. biological survey the National Wildlife Institute of Washington, D.C. and other scientific writers. We have. I fear enticed into a time of much scientific writing more sensational than accurate, more emotional than credible. Any theory that inexperienced biologists promote is accepted as fact and by repetition becomes firmly fixed in the public mind as such however lopsided it may be. Of late years I have been exposed to this kind of semiinformation a number of times and for this reason I have tried to set a ew facts down for the (your) readers of the Forum.

The Forks Forum: Is it more important to protect some high government official who goofed either purposely or by accident about the capture of the Pueblo, or to get the crew of the ship released? Isn't each individual crew member worth just as much as that man, whoever he may be, that they

Port Angeles & Truck Problems

Logging trucks have once again become the topic of dis-

cussion in good old Port Angeles. The Port Angeles Chamber of Commerce recently announced a recommended alternate truck route for east bound truck traffic. This progressive attitude of the Chamber has met with the disapproval of a group of residents along the

The proposed route would allow the trucks to travel east along Lauridsen Boulevard to Race Street, down Race to First Street where it would intercept the present route. The citizens group opposing the proposed route list the following objections: (1) Four schools are involved. (2) The trucks would pass Civic Field, (3) A convalescent center, (4) A playfield, (5) Expected heavy traffic on Race Street when the park finishes the new section of the Hurricane Road and (6) Trucks should not pass through a residential area, and (7) The present Boulevard roadbed is not capable of handling

a large percentage of truck traffic. Port Angeles has had more than its share of problems the past few years. They have failed to support a school levy on four different occasions. One gets the feeling that people in Port Angeles don't agree with the city manager and the port manager has been criticized openly for progressive ideas.

The people of the West End have a deep concern in the matter of transportation of logs to existing markets. People of Port Angeles didn't like our trucks coming down Lincoln Street and the present truck route was built. At one time a truck route was proposed to Rayonier along the water front: a group of citizens opposed this

Now the people don't like the noise the logging trucks make going through Port Angeles' downtown section

Remember, Port Angeles, beer didn't make your city famous. The industry you have depends upon the logs rolling into your city on those 18 wheel vehicles com nonly known as logging trucks.

Mistakes have been made in Port Angeles City planning in the past; that is why you are faced with the truck problem today. Don't continue to act like beer made you famous. Study the possibilities and keep the butter on your bread.

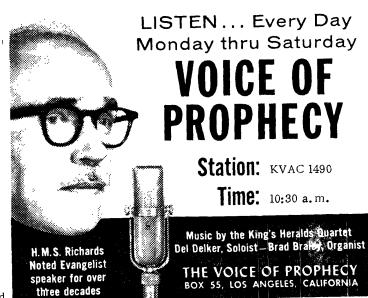

it to Moscow? Why has nothing been done

about this? Will anything ever be done

backs twisted into shape. Mother is driving of course. Sure hate to try writing this column and herd the car at the same

Got a letter from No. 1 son, Doug, this week. In the Air Force in Germany and bowling in two leagues. He posted his first 600 the other night a rowsing 610. Had a beautiful 243 high game. Good bowling, son. Keep it up and when you come home, you can give the old man some lessons.

Darrell is smiling again this week as there were some good scores posted in league play. Speaking of good scores, he has a turkey shoot going on now. One out of six wins a Thanksgiving gobbler. Come on down, pay your entry fee. bowl three games with handicap, and maybe you can take home a feathered bird.

Jay Sunburg had a 183 Hi 10 in the Tuesday afternoon league, June Kepford a 466 Hi 30, and Patsy Hodges picked

off the 3-7-10 split. Fred Jarvis topped the Sunset League with a 230-597. Ed

Duncan had a 224 and Glenn Gilmore a 222. Anine Lehman shot a Hi 10 of 192 and Sally Nagel a Hi 30 486 to lead the Wed. afternoon Powder Puffs.

Harriette Tryon and Fern Johnson took over the top roost of the Hoot Owlers. Harriette posted a 208 and Fern a 486. The Jr. Mixed saw Jill Horton's 132-347 as high for the girls, and Robert Laswell again leading the boys with his

Paula Lyda found the range and topped the Thursday night women's with 191-530.

Warren Paul is now wearing the Hi 10 crown for the year at Sunset Lanes as he really lowered the boom on those pins last Thursday in the West End League. He blasted out a 277-633. Going in with a 161 average, he earns an ABC Century Club patch for his feat. Also a gift certificate from Coast-to-Coast. Congratulations. Warren. We hope you do even better this week.

Understand Art Gale rolled his first 500 in league play the same night. 600 next Art?

For the wives of the Early Fri. Mixed, Pat Mansfield rolled a 203 and Maureen Anderson a 501, and for the men, newly-

wed Ted Kettel tossed a 215. and Ken Keeney a 560. Never too late to learn an old dog new tricks, as "Pappy" Jarvis found out in the Late Fri. Mixed. Slammed out a

262-212-201 for a 675 series. Big Al Genson threw his weight at the pins for a 220-619, while wife Gwen toppled 190 pins Hi 10 and stacked up 560

pins for high series. Smile. Darrell! Saturday's Mini Squad saw Darlene Engeseth on top with a

Hi 10 of 125 and Judy Riebe with a Hi 20 of 207. Pretty good crowd at Monte Carlo Sat. night. The Jackpot keeps getting bigger and bigger. No luck on the money shots altho Chuck Hamby did win some free games when his number was drawn again.

Some good friends of Darrell's were down and joined us at Monte Carlo. Cal and Ruth Ray, Clay Summerville, and Marion Halverson. all ardent bowlers, made our weekend more pleasant with their presence. Clay and Marion didn't get their elk, but they really enjoyed the Forks hospitality. Hope they come back soon.

Ted Rasmussen ran into split trouble in Mon. night Forks Prairie League, but made it pay off. He collects five simoleons from Earley Tire Co. for getting five splits in a row. One of his other games was a 224, hi for the night.

Duke Streeter came thru with high series for the night, a fine 602. Save a couple more like that for Sunday, Ol'

Seems like Darrell had split trouble, too - 7-10, 4-6-7-8-10, and a rare one, the 5-7-10. These, plus others made for a bad night. He'll come back, tho. He always

See you next week.

THANK YOU— **VOTERS OF CLALLAM COUNTY**

for your expression of confidence at the polls Tuesday

And my sincere appreciation for the hard work of many friends.

Clallam Bay Whips Neah Bay 40-0

ground and air routes in running over the Neah Bay Red Devils 40-0 in North Olympic 8-man football at Neah Bay last Thurs-

> The Tye Gill coached Bruins have wrapped up the title as they marched to their ninth straight win. They close the season Saturday with a game against the improving Joyce Loggers at Challam Bay. Five Bruins figured in the

scoring with Jim Murray and Graig Gagnon each scoring two touchdowns. Murray opened the scoring in the first quarter on a 20 yard pass from Dan Wilson. Wilson passed to end Brent Youlden for the extra

Gagnon plunged 2 yairds early in the second period to score and Murray scored again on a 10 yard sweep. Wilson passed to Murray for the extra point to give the Bruins a 20-0 halfrime advantage.

Defensive stalwart, Bill Hopkins, dumped a Red Devil ball carrier in the endzone for a third period safety. Moments later. Allen Hamilton lhit the center for 4 yards and a score. In the final period, Gagnon

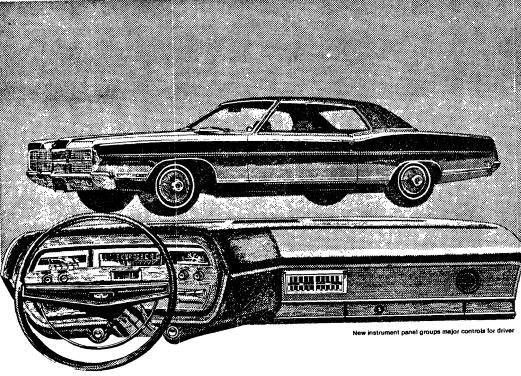

scampered to paydirt from 10 yards out and Hamilton capped the Bruin scoring with

The Red Devils got top performances from 6'2" freshman Top defensive players for Bill Noel and quarter back, the Bruins were Bill Hopkins, Don Heikkila, Charles Hartman, Greg Arnold.

Carter Warren shot this 6-point bull in the Dickey area. The good shaped side measures 52" from the skull to the tip. The spikes coming out of the nob measure 34", 25" and 20". Have fun chewing.

******Spartans Win Final 40—19 *****

the King's Garden Knights as they romped to a 40-19 victory in the Spartans final game of the season here Friday.

The Knights did manage to grind out two scoring drives against a Spartan sophomore defensive unit and scored another touchdown after a little Spartan razzle-dazzle failed near their own end zone late in the ballgame.

Mike Price and Russ Gale rolled up big yardage on the ground and some fancy passing by Price, Larry Baker and Don Hutt paced the Spartan attack as Forks ground out 308 on the ground and 142 in the air.

King's Garden rushed for a net 115 and 207 via the air route. Five interceptions hurt the Knights.

The Spartans scored late in the first quarter after Rick Liles blocked a Knight punt on the 28. Mike Price banged up the middle for 16 yards. On the next play, Russ Gale slanted point. off left tackle for 12 yards and the score. Price ran the extra

John Richards intercepted a Knight pass and Price rambled 32 yards to the 3. Gale carried to the 1. The Spartans were tagged for 20 yards in penalties to move the ball back to the 21. Seigle with 32 seconds left in the first quarter. Price again ran the extra point

Price scored for Forks early in the second quarter on a 15 yard run. The kick failed. Larry Baker intercepted a Knight pass on the Knight 45

and 6 plays later Don Hutt hit Gale with a 20 yard scoring pass. The attempted kick by Bruce Allen was wide to the King's Garden took the kickoff and marched 59 yards to

score just before the half. Even referee Bob Critchfield made a tackle for Forks in trying to halt the Knight drive Quarterback Dave Butler sneaked the final yard for the Knights. The first half ended 26-6 in

favor of Forks. King's Garden scored first in the third quarter on a Butler to

Pete Lewis pass of 9 yards. Forks came right back and marched 51 yards in 4 plays to score. Price hit Baker with a 30 yard pass for the touchdown. Baker hit Price for the extra

Two 15 yard penalties against Forks halted great scoring opportunities on interceptions by Bruce Allen.

King's Garden scored with 4:41 left after a penalty against Forks on a fourth down play and long delay by the officials.

Forks scored its final touch-Baker fired a scoring pass to Bob down with 2:05 left in the game. Dennis Perry was the big ball carrier in this drive with runs of 5. 14. 9 and 14 for the score.

SPORTS WANDERINGS . . .

Hunters have no excuse when they slay an illegal game animal. According to the State Game Department and the law, there is no such thing as an incident of accidental shooting of a cow elk or the common excuse by the hunter, that he shot a bull and the bullet went through the animal and hit another on the other side.

If apprehended, you are guilty! The elk hunting breed that moves into this area for the biggest game animal offered, is not the sportsman hunting for sport. He is the hunter looking for a prize, and many of them don't seem to care how they manage to get the animal.

In addition to the problem of killer instinct are (1) the lack of respect for property, (2) the lack of respect for other hunters and (3) the lack of respect for the common knowledge

The Forks Spartans topped the season in fine style with a big 40-19 victory over the visiting King's Garden Knights

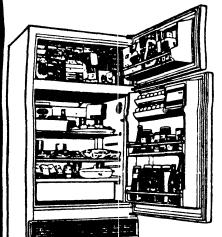

Forks opened the season with a 45-6 victory over Moclips, lost 6 in a row, then wrapped up the season on the winning side. A break here or there along the way against Port Townsend or Bainbridge could have made a great deal of difference for the Spartans this season.

It was a good night for the seniors to end their high school football careers. Mike Price, Russ Gale, Larry Baker, Gary Gaydeski, Bob Seigle and Ken Holz played well in their finale. Gene Bourm caught a pass in rounding out his career. Steve Perry, Clay Oakes, Rocky Fletcher, Rick Pursley, Jim Rosmond, Dave Demarest and all the other seniors met the challenge.

Round ball turnouts will begin soon and this column will review the candidates for the local school team and the Bruins

The Afghan the Lodge raffled off was won by one of own sisters Ruth Hutton. Our next meeting will be

held on November 19th.

Gorhams Honored At Reception

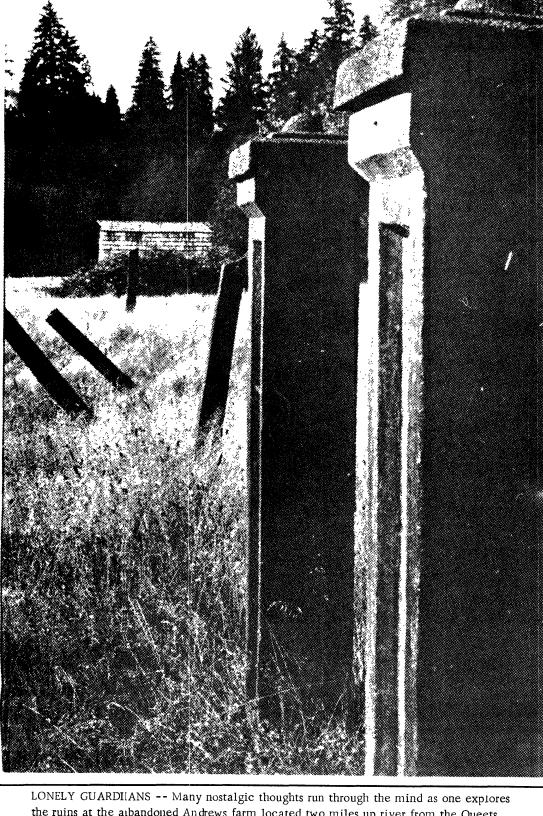

Mr. and Mrs. James M. Gorham were honored, along with two other couples, at a reception given for them in Seattle on Saturday, Nov. 5, 1968. The affair was a surprise for Mr. and Mrs. Rodney Gwin, planned by their daughter Kathleen, and attended by approximately 100 invited guests. The honored guests, Mr. and Mrs. Gwin of Seattle, Mr. and Mrs. Robert Grant of Navato, California, and Mr. Sister Irma Mair was back with and Mrs. Gorham were all married on the same day, several meetings due to the ill-Nov. 5, 1943, at the Chapel in Camp Parks, Shoemaker, California. The three men were all members of the U.S. Navy Seabees 8th Battalion, and remained together throughout World War II. Also attending were Patricia and Michael Gorham and Mike's fiancee, Susan Westlund.

We care where our product is served.

Beer served in pleasant and wholesome surroundings is the aim of the United States Brewers Association, And we are always striving to do something about it.

The USBA is represented by field men around the country. They meet with proprietors of establishments where beer is sold. They work in every way possible to promote a set of high standards wherever beer is served. This USBA effort means even more enjoyable places for America's great beverage of moderation.

the ruins at the aibandoned Andrews farm located two miles up river from the Queets River trail head. Two pillars standing at attention remind us of the mansion that once stood in the lower Andrews field. In the background, an old hay-filled barn which once sheltered cattle is now home for rats and a victim to nightly raids by elk and deer. One could spend a full day here exploring the ruins scattered about on the old Andrews place.

Meditation

By Eldon Iverson

"When someone becomes a Christian, he becomes a brandnew person inside. He is not the same anymore. A new life has begun!" II Cor. 5:17 Living

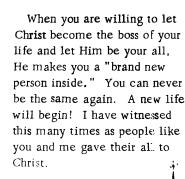

When God created the world and all living creatures out of nothing by speaking the words, it was a miracle; but when God, through Jesus Christ, makes a person "brand new inside" this is a miracle of miracles.

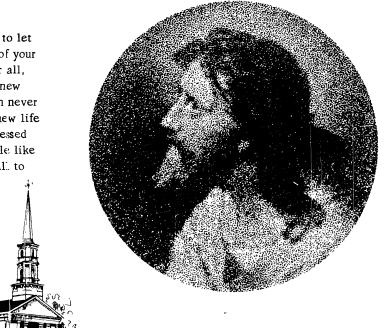

We are born sinners. The Bible says "The wicked go astray as soon as they are born speaking lies." We do not have to teach a child to lie or steal; they do that naturally. They need to be trained to go

in the right way! "All have sinned and come short of the glory of God." Romans 3:23. None of us measure up to what God would have us be. We fall far short. "Who ever shall keep the whole Law yet offend in one point he is guilty of all.' James 2:10. Have you ever told one lie? The Old Testament asks this question and answers it; "Can the Ethiopian change his skin or the leopard his spots? Then may ye also de good, that are accustomed to do evil." Jeremiah 13:23. We are incapable of doing one good deed without some selfish

motive. This is what we are

inside.

SHORT OF A MIRACLE

THE CHURCH FOR ALL . .

ALL FOR THE CHURCH

The Church is the greatest

factor on earth for the building

of character and good citizen-ship. It is a storehouse of

spiritual values. Without a

racy nor civilization can sur-

vive. There are four sound

reasons why every person

should attend services regu-

larly and support the Church.

They are: (1) For his own

sake. (2) For his children's

sake. (3) For the sake of his

community and nation. (4) For

which needs his moral and

material support. Plan to go

to church regularly and read

Psalms 78:5-20

your Bible daily.

the sake of the Church itself

strong Church, neither democ-

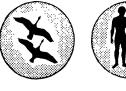

God created the world.

cover yourself.

Daniel 2:17-24

Yet it is but a second when measured against the ages that have passed since

accomplishments. We consider it nothing short of a miracle that something built

by man has endured that long. Yet those things created by God remain endless

awe, and with gratitude. We tend to take them all too much for granted. We

tend, at times, to forget them—and even to forget Him—entirely.
