

This improvement will consist of the construction of a rest area and viewpoint which offers an impressive view of Lake Quinault and the Olympic Mountains. The Amanda Park Rest Area is designed to take full advantage of this view while at the same time preserving the natural topography and character of the site.

Should any interested person desire that a Design Public Hearing be held to discuss and exchange information concerning this improvement, they may request a hearing by writing to the District Engineer, Washington State Department of Highways, P.O. Box 327, Olympia, Washington 98501, before September 11, 1969. In the event that requests are made, a separate notice of public hearing will be published in ample time for interested parties to arrange to attend.

### Rick Obi Wins LaPush Power Canoe Race Championship

A BIG FINISH-Ribs Penn in "REBFL 7" and Rick Obi in "AHH PUTT" gave the spectators something to cheer about as only a matter of inches separated their canoes in the championship race Saturday afternoon in Quileute Country. Obi held on to win by inches as his nearest competitor turned on the power in the final two laps. "AHH PUTT" owned by John Shale and "REBEL 7" owned by Jim Dennis went into the south turn side-by-side bringing everyone to their feeet for this hair-raising climax. By Lonnie Archibald

#### Fights Off **Rebels Charge**

Rick Obi, driving Ahh Putt fought off the determined challenge of Ribs Penn in the Rebel to win the La Push Indian Canoe Race held as part of the Quileute Celebration Saturday.

Qualifiers for the championship had to place in the top two places in one of three preliminary heats. In heat #1 Ribs Penn in

Rebel took the lead away from Ahh Putt in the first

turn and steadily increased the gap in gaining victory in the heat. Rick Obi finished second and the two boats that were to thrill the large crowd in the championship race had qualified. Jim Dennis in Redwing and Howard Hudson in Half-Breed fought for the lead to open heat #2. Dennis nosed the Redwing into the lead and fought off the challenge of Butch Sampson in the Sara-E until engine problems developed in the seventh lap. At that point Sampson gunned the Sara-E into the lead and sailed onto victory. Dennis nursed his canoe to second place.

Ralph Copeman in Valerie Lee failed to qualify for the finals after placing fourth, Copeman won the LaPush races in 1967 and 1968.

Pete Kalama in Klo-Kwa-Lay took heat #3 and Mickey Jackson placed second in Gary.

Six canoes were set to run in the championship final. but Jim Dennis couldn't get the big Mercury on Redwing to run full tilt and dropped

In the final, Obi pushed Ahh Putt to the front as he out-duelled Mickey Jackson in Gary. Kalama in Klo-Kwa-Lay and Penn in Rebel battled for third. Gary lost power and went dead on the north turn. Penn nosed Rebel into second place passing Kalama in Klo-Kwa-Lay on the fifth lap. Penn charged Ahh Putt the leader. On the final lap Penn nosed the Rebel to the inside on the north turn and cut the margin. The Rebel and Ahh Putt sailed down the backstretch neck and neck. The two boats came out of the turn racing to the

#### A CITIZEN'S RESPONSIBILITY

#### WHY A NATIONAL CENSUS

How many people are there in the United States? Where do they live—and work? What do they buy? Where do they buy?

How do we meet the population changes? How can we plan ahead for housing, schools, shopping areas, open lands and transportation?

The ans ers to all these questions and many more are in the offing every ten years when the national census is taken. It is used as a guide in government, business, industry, education to anticipate the increasing demands of a successful American economy.

While plans are being developed for the 1970 census, there has a been a flurry of controversy as to the coverage and procedures. Even Congress has

Congress should incisively examine the plans because the cost of the operation is borne by the public. However, an adequate census is not a luxury but a necessity. The decennial census is not only authorized, but required; and not by legislation enacted by Congress, but by the Constitution itself.

It is the responsibility of every citizen to cooperate in making this 1970 census. The census is not an act of harassment or government prying, but is the performance of a necessary government

As plans are shaping up for the 1970 census, it will provide the essential information necessary for both government and business to make the necessary projections for the next decade and beyond.

So when you are asked for concue data rive the

Mother and I journeyed today to Port Townsend in the Summer Singles District event. Bowled a little better than my average, but am afraid it might not have been enough. Only one shift of four guys and three gals left to bowl so it was impossible to cash but may have qualified for the zone finals. Vern Rondeau was in second place among the men with a 645 when we left and his spouse, Leta was in third place on the women's side of the fence with her 573. Willis Bryan was in last place on the money list and with luck will at least qualify for the finals.

Ran into some old friends and former residents of Forks, Stella Lehman. (Lloyd was out salmon fishing) and their daughter and son-in-law, Peggy and Allen Atwood. Real nice people and it was great seeing them again.

Eleven of us at Saturday nite Monte Carlo. Some improvement over the week before. I suppose as the season draws closer, there will be more bowling, that and the Jackpot will start building up again. Billie Bryan won six free games. Trophies for first and second place and high games and

high series for both girls and boys were presented Monday nite to the Juniors of the Jr. Sr. Summer League. First place went to Bob and Terry Hutton and second place

to Mark and Randy Henry. High game for the boys went to Ray Maxwell and to Theresa Decker for the girls. Terry Hutton and Terri Genson captured high series honors.

Having a little trouble geiting enough bowlers for the Forks Prairie League. Any fella at loose ends who would like to bowl in league, contact Duke Streeter. This bunch starts bowling September 8 under the match point system, which should make for a much more interesting league.

Lorna and Lisa Nordman, daughters of Mr. and Mrs. Arvid Nordman of Seattle, also spent last week with their grandparents, and were taken home on Sunday

by their grandmother. Mr. and Mrs. Herbert Haubrick and sons, Bert and Donny, spent the weekend in Montesano with her parents, Mr. and Mrs. Frank Whitehead, and on Saturday they had a reunion of the class of 1959 (Mrs. Haubrick's class) of Montesano High School, which was held at the Grays Harbor Country Club, in Central Park, Montesano. The Haubricks returned home Sunday evening and brought with them Miss Christine Nordman, who had been visiting her maternal grandparents, Mr. and Mrs. John Sandquist in Aberdeen. She will spend a week with her father's parents, Mr. and Mrs. A. M. Nordman.

Mr. and Mrs. Martin Engeseth visited from Tuesday till Friday two weeks ago with his brother-in-law and sister, Mr. and Mrs. James Emil of Da-

bob, near Quilcene. Mr. and Mrs. Edward Konopaski arrived home Monday evening after spending the weekend in Seattle. They took their three grandchildren to their home on Friday, and on Sunday went with their son, Ron and his family to Snoqualmie Pass where they had lunch at Alpental Ski

By Rev. William Cross

What makes people happy? The correct answer to this question is a right relationship to God through His Son, the Lord Jesus Christ. Peter, in his first Epistle, writes concerning Christ, as follows: "Whom having not seen, ye love: in Whom, though now ye see Him not, yet believing, ye rejoice with joy unspeakable and full of glory." Again Peter admonishes all who believe in Christ to "Cast all their care on Him; for He cares for them." And then Jesus himself said to His disciples: "Hitherto have ye asked nothing in my name: ask, and ye shall receive, that your joy may be full."

One of the main reasons for having church as and church services is that believers in Christ might gather together to study. His word share His blessings and help one another bear their burdens that all might experience the fulness of God's joy. Further, the Charet holds regular meetings not only to teach the word out to preach the "Good News" that lesus Christ died to take inners and that all who believe this Gospel of Grabe become children of God and can know this great and lasting by which God has provided.

In a cay at d hour of frustration, uncertainty and increasing tensions, the you know the reality of making peach with God that you may experience the peace of God and thereby be filled with "joy that is unspeakable and full of glory."

#### What In our experience there is one place where you can be sure of seeing happy makes them It isn't the bank—though certainly we have great respect for our banks. There people look intent, busy, serious with the financial responsibilities of life. happy? Nor is it at the ball game. There is no joy in Mudville when mighty Casey strikes out. But when you go to church you see so many happy faces! It is as though people had left their troubles behind them . . . their fears . . . their worries . . . their little sadnesses and great sorrows. Yet we know that no one can really leave these behind him. They are part of our life—and our life goes with us wherever we go. But church is a place where men come to share their burdens with Someone Else . . . someone who cares . . . who helps ... who strengthens. And this kind of sharing - between man and God -- has always been the root of true happiness. Sory to excited by the Sunday Mark 10:1-16 Monday Mark 10:17-31 Tuesday Mark 11:11-26 Wednesday 14:12-25
