Hepatitis

(Continued from page 1)
 in household contacts of diagnosed cases. This gives protection for approximately two months. It is also recommended in institutions where there is over-crowding and continuous contact and in prison outbreaks. These conditions of course, do not exist in the present situation. The highest incidence seems to be among school age children, however, authorities do not feel that contact at school is an important means of transmission. Routine use of globulin is, therefore not indicated for pupil or teacher contacts of a case, nor is it generally recommended among the usual factory or office worker contact of a case.
 Control of infectious hepatitis seems to be in about the same category as measles before the availability of an active vaccine, chickenpox, and other communicable diseases where there is no specific vaccine or sanitation control measure.

Cancer Drive Begins Soon

The Clallam County American Cancer Crusade will begin April 19. Let's work together to eradicate this killer disease.
 Watch for your neighborhood solicitor, she will be calling on you.
 Remember, fight cancer with a check-up and a check.

Willemson Leads All-Tourney

Gilbert Willemson not only led his team on the basketball court but also in the All-Star voting as he was chosen most valuable player of the second annual Forks Invitational tournament by the coaches and players of the respective teams.

Also joining Willemson on the All-Star team was his two teammates, Jim Asher and Jerry Silves. It was Willemson, Asher, and Silves that combined for 76 of the 97 points scored by Bellingham in the championship game against the Port Angeles Auto Dealers.

The Auto Dealers placed two players on the All-Star team in Bill Moulton, the only repeater from last year's All-Star team, and Gary Hussey who is so fast he has a tendency to run right out of his shoes.

Jim Irvine, of Traylor's, though only played in a total of two games in the tournament scored a total of 48 points and placed well enough to receive honors of an All-Star.

Rounding out the All-Star team was Toby Williams, Clallam Bay's high scoring guard. Williams scored a total of 74 points in three games as well as playing excellent defense.

Tournament Top Scorers:

	Games	Total	Average
Kautz (J)	3	82	27.3
Moulton (AD)	3	75	25.0
Williams (CB)	3	74	24.6
Asher (B)	3	67	22.3

INDIANS GO ON WARPATH

The fur will fly when 12 teams will vie for the championship of the LaPush Invitational All-Indian basketball tournament to be held at LaPush April 10, 11, 12. Some of the teams back again this year will be Seattle Thunderbirds, Seattle Roadrunners, featuring Ron Johnson the outstanding player-coach from Neah Bay, La Conner, Tahola, who will bring with them Bill James, last year's

most valuable player in the tournament, Reggie Ward will bring his high flying Hoquiam T-Birds, Toppenish, Nisqually, Lummi, Yakima, and possibly a team from B.C., Canada.

A draw has not been made as of this date but the games will begin at 5:30 p.m., Friday, April 10th, with all games being brought to you over KVAC.

Accident Reported

By Nedra Reed

In the days of the early settlers, game across the country was plentiful. There were no regulations preventing the mass slaughter of this game for they were not needed. Settlers depended on the plentiful supply for their food and many lives were saved because of the availability of the game.

Then man in his greed destroyed the game, starting with the buffalo, causing starvation for many Indian tribes and settlers in this country.

Man continues to destroy! Yes, man in his greed is destroying the deer and elk the same way the buffalo were destroyed! For food you say, no, for sport!

The elk pictured above were discovered in the Forks Burn Area; they were shot and left for the scavengers!

Why, there is no reason for it. Why shoot the animals? If you are sick enough to get pleasure out of destroying the animals, you deserve pity. You are no sportsman, you are a second-class human being. Maybe a man shot the elk to feed his family?

Look at the other picture. Someone shot this elk, dressed it out, took it home and let it hang until it rotted, then they dumped it in the Lake Creek dump. Do you think his family received any benefit from it?

We're kidding no one. We know this is going on all the time.

What are we going to do about it? Our deer and elk are fast disappearing; do they go the way of the buffalo?

Acts of this kind call for stiffer fines and sentences to be imposed on all offenders and for the State to provide more personnel in our area to combat the rising incidents of poaching.

We call our area the last frontier, but what do we leave for our children? An area where all the game and fish are gone; a wasteland, where all the beauties of nature have been destroyed?

Or do we leave them an area of unpolluted air and water, where fish and game are plentiful?

The choice is up to us.

The Washington State Patrol, Port Angeles, reports that on March 22 at approximately 10 p.m. 3 1/4 miles south of Forks on Highway 101, a car driven by Norman Tolman of Forks was involved in a one car accident. The 1968 Oldsmobile driven by Tolman left the roadway on the right shoulder, continuing down a 58 foot bank, coming to rest against a tree. The driver, Tolman, received cuts and bruises. The car was a total loss.

Also on the 22nd, approximately 18 miles south of Forks, Warner Searles of Seattle, received a possible concussion when his motorcycle left the right side of Highway 101, continued down a bank for 15 feet, with the cycle coming to rest on the driver. Searles was taken to Forks Community Hospital. The cycle received \$25.00 damage.

Skewes and Woody Address Council

The Forks Community Council met March 24, 8:00 p.m. at the Congregational Church Fellowship Hall. There were thirty people representing twenty-two organizations attending. President Art Morlin conducted the meeting.

Clallam County Deputy Jay Skewes and Forks Marshal Ken Woods addressed the council before the business meeting. They told of their duties and how the general public could help their local law enforcement officers.

Reports were read on the meeting of the Community Council Board, PTA, Park Board and Pre-school PTA meeting held March 16. The group met at that time to discuss the proposed purchase of equipment for the tennis courts. The fence will cost about \$800. The council voted to donate \$300.00 toward the purchase and to underwrite the cost of the fence so it can be ordered. Delegates to the council were requested to ask their organizations for donations. The donations may be mailed to either Shirley Meisner or Inez Halverson.

Ron Thompson reported on the summer recreation program for the park. The days for the programs will be each Tuesday and Thursday afternoons.

Mrs. Harley Witherow requested volunteers for the Cancer

Hepatitis on Increase

Recent concern has been expressed regarding the occurrence of Infectious Hepatitis in the Forks, LaPush, and Beaver area and this is understandable. Eight diagnosed cases have been reported from this area since February 19. Cases occurred in Grays Harbor and Western Jefferson previously so presumably the spread has been from those areas. This disease has been reported in Washington since 1952 and there have been two previous periods of increased incidence, 1954 and 1962. There has been a gradual increase in incidence of reported cases in this state since 1965 and it would appear that we are currently experiencing another increase. So far it appears that the disease is less severe than in previous peak years.

Spread of this presumably virus-caused disease is attributed primarily to inadequate personal hygiene practices, close personal contact especially among small children (possibly 20% of cases), and to ingestion of virus contaminated water or food, the latter primarily shellfish. So far as we know, the latter has not been involved. Care in handwashing before eating and food preparation is quite important but not always the perfect answer because cases have occurred in physicians and nurses and these professions certainly are aware of the importance of clean hands.

Control of this disease is unsatisfactory for several reasons: (1) Patients with infectious hepatitis have been shown to excrete virus in the stool for 2 to 3 weeks before and several weeks after jaundice. (2) Many cases do not become jaundiced (yellow color of skin and eye balls), or develop dark colored urine so are never diagnosed and are passed off as being another case of the "flu". Some estimate that only 10 to 20% of cases actually show sufficient symptoms or findings that actually lead up to a diagnosis of this disease.

Prevention measures consist primarily of good sanitation practices and secondly in the use of immune serum globulin (Continued on page 16)

cer Crusade to be held April 19 through 25.

Mrs. Lee Cromley told the council some of the activities of the Newcomers Club and asked for any material they might be able to donate for the information packets to be given to newcomers.

"Keep America Beautiful", but are we? Take a drive on any highway or backroad in our area; what do you see? Majestic forests of evergreens; lacy moss hanging from the branches; clear, winding rivers; beautiful scenery; but... what is that? Oh, just another pile of garbage. Beer cans, pop bottles, and cans, cardboard boxes, paper and just litter of all types. A careless camper maybe? Or perhaps someone who would rather deface this great land than drive 5 miles to the garbage dump. Look at the roadside ditches as you drive along Highway 101; either north or south, it makes no difference, and try to count the beer and pop bottles and cans. A group of boys living along Highway 101 made \$40.00 one month last summer returning for deposit all the bottles they had found. That should give us an idea of just how widespread this problem is.

This problem of littering is very much in evidence even at some of the parks and camping areas. Either there are not enough places prepared for the camper to dispose of his garbage, or the rules prohibiting littering are not strictly enforced.

But the camper or tourist doesn't deserve all of the blame. There is a place along Downs Creek Road on the Bogachiel where someone has dumped their garbage, old stoves, tires, pieces of metal and are continuing to do so. This is just one of many places where the dumping of garbage is a common occurrence.

Perhaps we should take a hint from the Clallam Bay students who did something about the problem in their area and work to keep our part of America beautiful.

LETTERS TO THE EDITOR

Editor,

Last Sunday, March 22, the tire on my trailer went flat about a mile past Slathar's. Three teenage girls and I were attempting to change it, when some young men came by and offered us some help. We were certainly grateful. We are also grateful to a young man in a service station who mended the tire for nothing.

Sounds like I have no problems--but the young men who helped take the tire off, drove away leaving their jack. I don't know what kind of car they had, but it was in the 60's, had a black vinyl top and the body was two shades of green, as tho it were in the process of being repaired.

I am going to send the jack out to Forks Monday, March 30 with the Clallam County Bookmobile, and will leave it at the Forks Branch Library with Mrs. Miller.

I hope the men see this, and again I want to express my appreciation for their help.

TRAFFIC DEATHS UP

Washington State, a national leader in reduced traffic deaths last year, tallied the third highest increase of traffic deaths in the nation in the month of January. Glenn Crawford, acting director of the Washington Traffic Safety Commission, said 63 per cent more people died in traffic during January 1970 than died in January 1969.

Crawford said the figure was released by the National Safety Council in a comparison of the first-month records of the 50 states. He named "better weather" as the most easily identified factor causing the increase. Last year's heavy snows discouraged highway

travel. This year, however, high traffic volumes have continued throughout the mild winter.

Sixty-six drivers were involved in fatal crashes in January, claiming 53 lives. Of the dead, 32 were drivers, 13 were passengers, seven were pedestrians and one a sledder.

Twelve of the drivers were under 25 years of age, 47 drivers were between the ages of 25 and 54, and seven were older than 55. Only 11 drivers wore seat belts at the time of impact. Approximately half the drivers had control of 1965 or newer model vehicles.

"The 53 highway deaths in January mean that 19 more died this year than in January last year," Crawford said. "What is worse, the January 1970 death record was only three behind the January 1968 record -- which began the deadliest year ever seen on this state's roads."

HEROIN AND CRIME; SOCIETY PAYS

One theory of crime prevention heard often today goes as follows: if the punishment for crime is made very severe, then the potential offender will be persuaded to obey the law.

This concept assumes that would-be criminals will control their behaviour because they are always rational enough to know and fear the consequences of wrongdoing.

However well-intentioned, the theory oversimplifies our crime crisis; and certainly is exploded into fragments by the impact of heroin.

Heroin is slavery. Its shackles are emotional, psychological, and physical. Addicted to heroin a person sacrifices self-control to the urgency of the next "fix". Almost always the addict turns to crime to support his habit.

Law enforcement officials estimate that from 30 to 70 percent of all crimes in large cities can be attributed to addicts. Between 1960 and 1968, the number of arrests in drug possession cases increased by 340 percent. Among the

growing number of deaths from overdoses are teen-agers.

Studies conducted by the Drug Abuse Center at Johns Hopkins Hospital in Baltimore conclude that the average heroin addict needs \$47 a day to support his habit. Larceny, mugging, prostitution, shoplifting, burglary, drug peddling -- these are the offenses the addict commits most often to get money.

Merchandise stolen by addicts is usually discounted by one-half to one-third. In other words, four coats and twelve wallets valued at \$150 may bring only \$50 through a "fence".

The link between heroin and the skyrocketing crime rates were brought to mind two weeks ago when President Nixon announced that he was increasing federal funds for drug abuse education and other federal efforts aimed at curbing the narcotics menace. Additional funds are needed badly and will pay a valuable dividend.

It was a year ago, however,

that 64 House members joined Lloyd Meeds as he introduced the Drug Abuse Education Act of 1969.

An amended version of the bill passed the House 294-0 on October 31, and it authorized \$29 million over a three-year period for a variety of drug education programs including teacher training and curriculum development.

Apparently the Administration has moved away from the position that law enforcement is the only answer to the drug crisis. In July during hearings on the bill, they opposed the measure.

Multiplying \$47 times the estimated number of heroin addicts in this country, drug crimes have cost the nation about \$3 billion since July. Of course, the Administration can't be blamed for this depressing aspect of the war against crime, but it certainly illustrates that other approaches are needed.

Educating youngsters about drugs and offering them skilled counseling is not a cure-all for

our drug problem. But if more young people can have the facts and can avoid dangerous drugs, the cost to society will be much less.

Plan Field Trip

By Steve Lingvall

Science Club met second period on March 19 to discuss plans for a proposed field trip to the University of Washington. Each member wrote down on a sheet of paper, which classes he or she might want to sit in or listen to. They also suggested a general tour of the Science Building at the U of W.

New candidates for office were discussed on March 23, when the A.S.B. Council met. They proposed plans for a workday in the future. Other suggestions for a change were offered.

"UN DIARIO EN ESPANOL"
PUBLISHED AT FHS
By Steve Lingvall

The only foreign language taught at FHS is Spanish. It is not a complicated language, but it requires a great deal of concentration. To improve the mental concentration of the students, the second year Spanish classes have varied to create and publish various stories for a Spanish newspaper.

"Diario" (Diary) is the name of this newspaper. It consists of two pages of news stories and two pages of crossword puzzles. The news stories covered such items as the Tolo, "La Gallina" (The Chicken), and many others. Ron Paul, Dennis Perry, Donna Birdwell, Steve Lingvall, Dick Jensen, Ken Mueller, and Sue Johnson (second year) contributed their stories. The crossword puzzles were invented by various first year students.

Tyee - Beaver - Sappho News
BY MRS. J. E. MERRITT

Mr. and Mrs. Ed Isaacson of Indianola, Kitsap County, were house guests over the Easter weekend at the home of his sister, Mrs. Elsie Brown-ing.

Mr. and Mrs. Dewey Fisk, Mrs. Browning, Mr. and Mrs. Clark Browning and children of Forks, "Speedy" Browning and the Isaacsons enjoyed dinner Sunday at Kalaioch Lodge, and the Isaacsons left for home that evening.

Mr. and Mrs. John A. Johnson of Concrete, Skagit County, visited over the weekend at the home of their son-in-law and daughter, Mr. and Mrs. Dean Hum. Dinner guests at the Hum home on Sunday were the Johnsons and their son, Dean Johnson, and daughter Mrs. Richard Bourry, and their families.

Jack H. Orr went to Seattle for a medical check up last Thursday--and before returning home that evening he visited his son and daughter-in-law, Mr. and Mrs. Jack G. Orr, whose marriage took place on Saturday, March 21, in St. Patrick's church, Tacoma.

Mr. and Mrs. Richard Eaton and family returned Sunday evening to their home in Seattle after spending the weekend with his parents, Mr. and Mrs. L. R. Eaton in

Sappho.

The two Eaton families were among the guests at an Easter dinner given by Mr. and Mrs. Lloyd Johnston at the home of their son and daughter-in-law, Mr. and Mrs. Lloyd "Ace" Johnston. Also present were Mr. and Mrs. Jack H. Orr and their daughter Stephanie, and John Johnston, among others.

Mr. and Mrs. Howard Beglinger and children of Elma visited over the weekend with her parents, Mr. and Mrs. E. N. Klepps and other relations.

Miss Roberta Scarlett visited her parents, Mr. and Mrs. James Scarlett, over the Easter weekend, returning Sunday evening to her home in Seattle.

Mrs. Arvid Nordman and daughters, Christie, Lisa, and Lorna, returned Sunday evening to Seattle, after spending the weekend visiting the girls' grandparents, Mr. and Mrs. A. M. Nordman.

Saturday, April 4, will be the 80th birthday of Mrs. Carl McDaniels of Port Angeles, a former resident of Tyee, and in anticipation of the event Mrs. Howard Trimble, Forks, and Mrs. Dale Dawkins and Mrs. A. M. Nordman of Smithville, went to town on Monday to present her with

Reception Held For Petersons

A reception was held recently honoring Mr. and Mrs. Gary Peterson, son and daughter-in-law of Mr. and Mrs. Oscar Peterson of Forks. Gary and Charlotte were married in December. Both attend Seattle Pacific College.

The reception was held in the Oscar Peterson home. Hostesses were, Mrs. Al Rhyme and Mrs. Tom Winsor.

Refreshments were served, including a wedding cake, inscribed "God's Richest Blessing, Charlotte and Gary". Approximately 50 attended the reception.

a gift and a cake. The gift was three lovely geranium plants, accompanied by a life membership in the Ni Wauna Home Ec. club, presented by Mrs. Trimble, president of the club.

Gene Lodde and daughter Laurie of Tacoma visited over the weekend with his mother, Mrs. Martin Engeseth and other relations. On Easter Sunday the Engeseths, accompanied by Gene and Laurie, were dinner guests at the Clarence Engeseth home.

Bogachiel GC Officers Nominated

The March 19th meeting of the Bogachiel Garden Club was held at the home of Mrs. John Rosmond with Mrs. Richard Kallman assisting. Mrs. Rosmond provided the floral arrangements. Membership roll call was "Plants that attract Birds or Bees." Due to the lengthy business meeting to follow, a featured program was not held.

Nomination of officers for the coming year are: President, Mrs. Harley Witherow. Vice-President, Mrs. Warren Paul. Secretary, Mrs. Vester Sexton. Treasurer, Mrs. Richard Kallman. Historian, Mrs. Richard Wahlgren.

Chairman of the Bird Committee is Mrs. Richard Kallman, who presented a nice report on our feathered friends, Mrs. Warren Paul is a delegate from our local club, making advance preparations for the 1971 Washington State Convention of Federated Garden Clubs to be held in Port Angeles. Mrs. Paul reported on the many plans being made, at which at least 700 ladies will attend the convention. The Bogachiel Garden Club will provide table arrangements and favors for one of the evening banquets.

A lengthy discussion was held on the growing litterbug nuisance in this West end. The roads and highways have as much litter now, as during the summer tourist season. It is imperative that some steps be taken to stop this unsightly situation.

A reminder for all of us local residents, that the month of April has Arbor Day, the "Tree Planting Day". The date of celebrated day varies in other states.

The Bogachiel Garden Club wishes to announce May 1st, as the date of their annual Garden Site, with location to be announced at a later date. Mrs. Orville Ninke is chairman, and if any residents have plants or shrubs they would like to donate, please call Mrs. Ninke at 374-6922.

Poisonous plants and shrubs were discussed, even the beautiful Rhododendron, and garden enthusiasts should acquaint themselves with the toxic attributes of their plantings, for the safety of children and pets.

April 21, the District Meeting for the Olympic Peninsula Garden Clubs will be held in Port Angeles. A large delegation from Forks is planning to attend.

On the day of sale the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee. This balance may be paid by personal check. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.

BOND: On the day of sale, the purchaser must also furnish a cash bond of \$200.00, in the form of cash, money order, or certified check, to guarantee compliance with all terms of the bill of sale.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

The State of Washington does not guarantee its published cruises of the herein described forest products, and purchasers thereof shall have no recourse against either the State of Washington or the Board of Natural Resources if the actual cut does not equal such published cruises.

Forest products must be removed prior to June 30, 1970.

Located approx. 63 miles by road north of Hoquiam.

Accessability via Department of Natural Resources access, Morrison Logging Company's easement, and Olympic National Park easement.

A copy of the forest products bill of sale contract is posted at the Forks District Headquarters office.

Meditation

By Pastor Howard Stockman

Every young man has dreams of becoming important, of making something of himself in life. Some will try through science, others through medicine, others through teaching, others through business and others through the trades. Whatever it is your youth are interested in they need drive and determination to get there. They also need to be trustworthy and they need to have character.

Character and trustworthiness are not two things than a man happens to pick up somewhere along the way in life. He needs to be taught and trained properly so that these will develop. In the context of a Christian family the children grow up with this as a natural part of their lives. This comes to them naturally as their parents lead their lives with Christ at the center. Christ proved to be the most trustworthy person ever and with Him as their guide it comes natural to be the same.

Some seem to think that the way to have character is to actively try to be a good person. So often in life there are

so many pressures brought to bear on people that no matter how hard they try they just can't quite stand up to it without help. The way to really have character and trust is to seek God. As you seek God character and trust develops because these are basic to Christianity.

There are some who claim to be Christian that you know don't have any character. They are those who are Christian in name only. Those who really trust in God for their very lives are true Christians and you can tell this by their actions. I am not talking about those who see Christianity as a lot of prohibitions but those who truly live in God's love and show this by their non-judgmental attitude toward others. They make stands on issues as to whether they are right or wrong but will not judge everyone involved in bad things as being condemned. They have the ability to accept others as children of God and as such having great value even though some of their actions aren't always the best. This comes through faith in Jesus Christ who died for all people no matter what they have done in the past. As Christ forgives others so the Christian can also. To develop character and trust, seek God and these will come to you as you advance in life.

Four years out of college . . . assistant to a department head . . . the junior executive considered most likely to succeed.

Fifteen years from now—or twenty—do you think he'll be president of the company?

We haven't the slightest idea. All we know is that, right now, he's on the way up.

Many things determine a man's potential for positions of responsibility and trust; one of them is character.

Character isn't easy to define—it is much easier to recognize.

This man goes to church every Sunday . . . not because he is seeking character . . . but because he is seeking God.

And the people who know him best figure that is one of the clearest marks of his character.

Halverson Wins Award

GENE HALVERSON

S. Eugene Halverson, service manager with Halmor Ford in Forks, will receive a silver Medallion Award presented by the Autolite-Ford Parts Division of Ford Motor Company in a program honoring Ford and Lincoln-Mercury dealer parts and service managers for outstanding achievement.

The award is presented annually to those parts and service managers who are judged outstanding in customer service, sales and management ability, according to W.L. Crew, Autolite-Ford Seattle district sales manager. Mr. Halverson will receive a plaque and pin at a Medallion Manager Awards banquet at the Ridpath Hotel, Spokane, Saturday, April 11. In addition he will receive a \$100 scholarship to enable him to further his training in the parts and service business.

Lutheran Women Busy

The women of the Prince of Peace Lutheran Church have been busy with different projects during the month of March. Baptismal towels have been made and clothes have been gathered for needy causes in the Forks area. The sheets, which were collected by the women, have all been rolled into bandages and mailed to the Lutheran World Relief. A word of thanks is extended to all the people in Forks, who so generously donated sheets.

During the Lenten Services, which have been held every Wednesday for the past weeks, Pastor Stockman preached on the different petitions of the Lord's Prayer. The newly-formed choir is practicing every Wednesday under the leadership of Gordon Otos.

The Tenth Annual Conference Convention will be held at Mt. Zion Lutheran Church in Tacoma on April 7, between 10 A.M. and 3 P.M. A luncheon will be served and nursery facilities will be available.

From April 10 through 12 the ALCW Retreat will be held at Pilgrim Falls.

An end to cancer is everyone's dream. Make it come true. Support the American Cancer Society. Fight cancer with a checkup and a check.

Mueller-Dannemiller Wedding Plans

Mr. and Mrs. Lincoln F. Mueller of Forks announce the forthcoming marriage of their daughter, Joy Lynn to J. Lawrence Dannemiller, son of Mr. and Mrs. Lawrence M. Dannemiller of Akron, Ohio.

The wedding will take place April 18, 4 p.m. at the First Congregational Church. A reception will follow in the Fellowship Hall.

All friends are cordially invited to attend.

Rainbows Meet

The Rainbow Assembly, Olympic Peninsula, will meet Saturday, April 4, 7:30 at the Masonic Temple in Sequim.

This is the annual meeting for the district with Mrs. Margaret Kendrick, Supreme Inspector in Washington and Idaho.

Members of Rainbow Girls, Masonic Lodge and Order of Eastern Star are urged to attend.

Scout Workday

Last Saturday was another workday for the troop. Brush was burned, ground was cleared, trails were blazed, a sign was posted, and other jobs accomplished.

The scouts are selling tickets to the Scout-A-Rama for fifty cents. The Scout-A-Rama is April 4 from 2 p.m. till 8 p.m.

The Boy Scouts meet every Wednesday at 7:00 at the Voo-Ag building.

Exchange Student Visits Forks.

Mary Jane Fox, International Farm Youth Exchange from Lewis County to the Netherlands in 1969, was the guest of Gordon Otos, Breakfast at the Vagabond program, Monday, March 23.

Miss Fox told of her experiences living in Holland, and of the living standards of the people there. Miss Fox had five host families and spent about two months in their homes, doing chores and living just as they did. She told of one particular incident when she was served a delicious sandwich, a thin slice of meat, served with honey. The sandwich was delicious until Miss Fox learned she had been eating horse meat. According to Miss Fox, there are few cattle ranches and beef is very high-priced and not readily available. Miss Fox said, "I had to refuse the sandwiches from then on, after I found out what they were." Miss Fox said that there were no dry eyes when her exchange group left for the States; even the boys shed a few quiet tears.

The Old Timer

"Anybody who thinks money won't buy happiness has never tried spending it on somebody else."

Miss Fox spoke at the Forks Elementary School and to the World History class, and to 4-H's and leaders Sunday afternoon.

The Clallam County IFYE Committee and the Forks 4-H leaders and 4-H's sponsored Miss Fox's trip to Forks. Her mother, Mrs. W. Fox accompanied her. They were the guests of Mr. and Mrs. Henry Halverson.

Sunset Highlites

By Fred Jarvis

(held over from last week)

Sure hate to see the end of our bowling season. Its just like Mother's blackberry pies, when we get done eating them, we know it'll be quite a while before she makes anymore. Oh well, her and Juanita keep me going with an occasional apple or cream pie, and I keep my hand in at bowling by competing in the summer singles and Monte Carlo.

Will be starting the Moonlite Scotch Doubles real soon, so if you're interested ask Darrell or me about it. Also, the Summer Mixed League will start soon.

Kate Silves tossed a 184-500 in the Tuesday Afternoon League and Barbara Windle had a 181-530, Betty Jacobson picked off the 3-7-10 split.

Patty Sullivan topped the girls of the Junior Mixed with a 142-400. Jeff Blair hit 192 and Jim Blair 182-504.

Caulkins Log clinches the second half of the Sunset Circuit and will bow Dunc's Rototilling for the championship next Tuesday nite. Last week's highs: Ed Malmsten 232-599, Earl Kennedy 581, George Olson 588, Duke Streeter 605, Darrell Thomas 609, and Frank Goos a 224-612.

Detta Joutsen's 199, Fern Johnson's 190, and Kathy Decker's 506 were the best for the Powder Puffs. Sally Nagel picked off the 6-7-10 split, Shirley Glabert the 2-7-8 and Leta Rondeau the 5-7.

Gayle Helfrich threw a 191-522 and Leta Rondeau took high honors for the Hoot Owls with a nice 206-576. Kay Whitehead bowled her first 500, a 506.

Bev Johnston of the Thursday Beginners hit 168 -413 and Esther Parris had a 410. Billie Bryan rolled a 169 and Kathy Decker a 495 for the captains.

Joyce Mueller hit a 202 high 10 in the Women's Thursday Nite League and Leta Rondeau a 198-569, June James hit a 177 all spare game, her first, for which she'll receive a patch from the WIBC.

Jim Silves out gunned the rest of the West Enders with a big 235-603.

Jarvis-Bigelow won the Friday Mixed championship in a bowl off with Nagel-Lyda. The league also bowled for cash awards.

Got some fresh money in our sidepot when Hot Hand Harry and George Richardson joined Duke and Big Al Genson and I. Al and Duke split half the pot and I collected the rest. Gordon McCoy won a TV certificate and Bernie failed to make the Jackpot shot.

Patty Laswell hit a big 206 and her first 500 a 508 in the Junior Traveling League. Mark Henry had a 517.

Crist-Huling-Rondeau won the Sunday Mixed title in a thriller against Bryan-Thayer. Had to go into a sudden-death extra 10th frame and won by one pin.

Brager Bros. won the second half of the Forks Prairie League and will bowl Spoelstra Bros. next Monday for the title.

Chris Olson hit his first League 200, a 213, Stan Fouts had a big 228-603, Vern Rondeau 225, and Claude Clark 225-605. Where you been, Claude?

Bowlers of the week: Leta Rondeau 207-576, Jim Silves 235, Fred Jarvis 661.

Hope we make this week's paper. Been asked countless times why it wasn't in last week. Sure nice to know so many people read my column.

We have a new member in the women's 600 Club. Barbara Windle of the Tuesday Afternoon League rolled a 227 on her way to hitting the big one right on the nose. Congratulations Barb. Ollie Swearingen hit a 192, Janet Joseph tossed a 512, her first league 500, and Kathy Decker had 503.

In the Junior Mixed, Ken Olson banged out a big 201-501, Mark Henry had 180-506, and Jeff Blair a 188-505. Patty Laswell again led the girls with 153-442, Jill Horton had 142, and Lynn Lewis picked up the 6-7 split.

Stan Fouts blasted a 236-628 for Earley Tire of the Sunset League, and George Richardson hit 226-586.

Sally Nagel beginning to come back after a long lay-off with a 201-515 in Wednesday Powder Puffs. Wilma Egeseeth had 190, Pat Mansfield 190-514, Helen Thomas 514, and Mary (pool player) Kennedy a 198-548. Paula Lyda converted the 4-6-10 split and Alice Simonton the 3-7.

Leta Rondeau back up on her roost in the Hoot Owl League with a 211-538. Ruth Hutton picked off the 2-3 split. How did you ever leave that?

For Thursday's Beginners, Anita Bumgarner had 160-432, Patsi Robinson a 156, and Captain Gayle Helfrich threw a big 208-548, and picked the 4-6-10 split, and that ain't easy.

Thursday Nite Women's Hi 10 tied by Rochelle Diimmel and Judy Kallman at 201 with Judy taking series honors with a 543. Jean Streeter at 506, Detta Joutsen and Jerry Beebe at 505, Gladys Allen 502 and Paula Lyda 501.

Darrell hit 228-582 for the West End bunch, Ed Malmsten had a 220, and John Nagel a 554.

Jim Rondeau led the Banram boys with a 141 and a 281 two game total. Sam Windle not far behind with his 133-243. Keep it up, kids.

Barbara Allen had the TV shot and Sonny Lehman the Jackpot chance at Saturday Nite Monte Carlo, but neither made it. Duke just about cleaned out Harry, Big Al and I in our sidepot altho I salvaged a bit by winning the last game.

We're looking for teams for Junior-Senior Mixed and Adult Mixed Summer Leagues. Sign up at the lanes.

Darrell has dreamed up something new: Beat the Pros. Who are the Pros? Duke and I. Boy! I've been called lots of things, but never a Pro! Anyway, pick a partner and with your handicap, shoot against us. We have to bowl scratch, darn it! Easy way to pick up some extra cash. Ask Darrell about it. Will also be in the paper and on KVAC.

Lawrence and Jessie's boys did it again. Brager's Black-shirts won the Forks Prairie title by beating Spoelstra Log. Monday nite in a bowl-off. Ol' Dad Jarvis topped all bowlers with a 244-648.

Bowlers of the week: Barbara Windle 227-600, Stan Fouts 236-628.

Accepts Transfer

Wayne Estabrook, Timber Sale Administrator at Forks Ranger Station, U. S. Forest Service, has accepted a transfer to the Deschutes National Forest at Crescent, Oregon, effective April 6th. No replacement has been named as yet to fill his position.

Estabrook has worked on the Soulduck Ranger District since moving here with his wife and three children eight years ago from Elk River, Idaho, where he was employed by the Timber Protective Association.

While in Forks, he was active in the Volunteer Fire Department, served as a Boy Scout and Cub Scout Leader, and was a member of the Jr. Chamber of Commerce. Mrs. Estabrook has been Vice Grand of the Rebecca Lodge in Forks, and is an ardent bowler.

About sixty friends attended a farewell party for the Estabrooks at the Sportsman's Club in Forks on Friday, March 20th. A buffet dinner was catered by Clark's Vagabond Restaurant and dancing followed the skits and gift presentation.

Conner Votes to Legalize Bingo

State Representative Paul H. Conner, 24th legislative district, was one of 19 state legislators who on Friday filed Initiative 254 to legalize bingo, raffles and social card games conducted by non-profit charitable and civic organizations.

Initiative 254 eliminates criminal penalties for bona fide religious, charitable, patriotic, fraternal, civic organizations, agricultural fairs, conducting four types of activities--bingo, raffles, social card games and amusement games.

The initiative plugs loopholes so that these activities cannot become a source of personal profit or allow professional gambling. Any city or county can by ordinance set tighter restrictions.

Conner, who sponsored similar legislation in the 1969 session of the legislature, stated that 104,000 valid signatures must be obtained by July 1 to validate the initiative for the November General election. He urges any organization or individuals interested in obtaining signatures to contact him.

SOCIAL SECURITY REPRESENTATIVE IN FORKS

The area representative for the Social Security Administration will be in Forks, April 24, May 22, and June 26, at the Forks City Hall, City Council chambers, 131 1st Avenue N.E., Forks, Washington, from 10:00 a. m. to 12 noon.

Herb Beebe Completes Seminar

Forks city official Herbert Beebe, clerk-treasurer, recently completed a two-day seminar on local government budgeting and finance in Everett. He was among 58 participants representing central and northern Puget Sound municipalities.

The training session is designed to improve the skills and techniques of local finance officers, city clerks, and city treasurers from third- and fourth-class communities. Two similar sessions have been conducted in Longview and Moses Lake this month.

The course content, designed and taught by members of the State Auditor's Office, included Legal Requirements for Budgeting and Reporting, Bond Accounting Operations, Bid Awards and local budget-fiscal functions.

Instructors at the Everett session were Howard E. Yarbrough and Harry Sites, Assistant Chief Examiners, Division of Municipal Corporations; and Darrell K. Russell, CPA, Supervising Examiner.

The seminar was one of a series of community development training courses administered by the State Planning and Community Affairs Agency and financed in part through a Community Development Training Grant from the Department of Housing and Urban Development. Co-sponsors are the Washington Finance Officers Association, the Association of Washington Cities and the Washington State Auditor's Office.

Hot Springs Resort Open

Sol Duc Hot Springs Resort opened for the summer season on April 1, Superintendent S. T. Carlson of Olympic National Park announced today.

Limited lodging accommodations and meal service will be available on that date. A 20 unit trailer court with hook-ups will open next Wednesday. Beginning May 30 the resort will be on a full schedule of services and accommodations.

Mr. Robert King assumes the manager post at Sol Duc. He, his wife Linda, and son Derek, come to the northwest from Mammoth Cave, Kentucky.

The Sol Duc road is now open to the trailhead.

Forks Pre-school PTA will meet Tuesday, April 14, 7:30 p. m. in the multi-purpose room at the Grade School.

March to Yakima!

By Steve Lingvall
Between April 10 and 11, the Fork's High School Drill Team will be attending the annual Drill Team Conference in Yakima. This year, the conference will be held at the Eisenhower High School gymnasium.

Last year, the FHS Drill Team secured a superior rating at the conference in Bellevue High School. The judges of the competition rate the teams---superior, excellent, good, and fair---according to their revealed talent.

Since the summer of 1969, the Drill Team has worked hard to raise funds for the trip. They (consisting of 25 girls, led by Eileen Henifin) have had bake sales, received

Robert Henry Wins Outstanding Honor

Robert F. Henry, son of Mrs. Frank R. Henry of Forks, presently employed by the Department of Anaesthesiology at the University of Washington, has been named one of the Outstanding Young Men of America for 1970. Henry, a 1964 graduate of Seattle Pacific College, was selected by a 16-man Board of Advisory Editors chaired by Doug Blankenship, past U.S. Jaycee president. Henry was nominated by the Alumni Association of Seattle Pacific College.

Mr. Henry is assisting Peter Winter (M.D.), Associate Professor of the School of Med-

icine. University of Washington and Kent Smith (D.V.M., Ph.D.), Director of Hyperbaric Research, Virginia Mason Research Center in the area of hyperbaric medicine and research. Virginia Mason Research Center has a hyperbaric chamber capable of simulating 1,500 feet of sea water in which he carries out deep diving physiology studies as well as clinical treatment of various disorders ranging from decompressing sickness and air embolism to ischemic illnesses. Hyperbaric medicine is a relatively new field. A recent discovery by Peter Winter is the amazing improvement in senile people subjected to hyperbaric oxygen treatment.

This past summer Henry was chief diver and administrator of diving operations for Dr. George Bass, University of Pennsylvania Museum, on an archaeological expedition sponsored mainly by National Geographic Society. They were excavating a fourth century A.D. Roman wreck at a depth of 150 feet in the Aegean Sea at Yassiada, Turkey. After the expedition

OUTSTANDING YOUNG MEN OF AMERICA is an annual biographical compilation featuring the accomplishments of approximately 5,000 young men of outstanding rank throughout the country. Nominations for the awards publication are made by Jaycee chapters, college alumni associations, and military commandants. Criteria for selection includes a man's service to others, professional excellence, business advancement, charitable activities and civic and professional recognition.

OUTSTANDING YOUNG MEN OF AMERICA is sponsored by the nonprofit Outstanding Americans Foundations, Mr. John Putman, one of the Ten Outstanding Young Men of America for 1966, and president of this Foundation, said, "It is the purpose of OUTSTANDING YOUNG MEN OF

AMERICA to recognize and honor the young men in our country who are working toward excellence in their careers and community service. It is these young men who will soon be leaders of the country."

President Richard M. Nixon has said of the publication, "OUTSTANDING YOUNG MEN OF AMERICA presents a most fitting testimonial not only to the success of many of our young people, but also to their awareness of the debt which they owe our free society."

The 1970 edition of OUTSTANDING YOUNG MEN OF AMERICA will be the sixth edition of this annual compilation and will be published May 30, 1970.

LEGAL NOTICES

NOTICE OF BOND SALE
Town of Forks, Washington
General Obligation Bonds, 1970
\$30,000

Notice is hereby given that the Town of Forks, Washington, proposes to issue under date of May 1, 1970, its limited tax levy general obligation bonds in the aggregate principal amount of \$30,000. Said bonds will be payable both principal and interest in lawful money of the United States of America at the office of the Town Treasurer in Forks, Washington.

The bonds will be in the denomination of \$1,000 each, will be numbered from 1 to 30 inclusive, will bear interest at a rate or rates of not to exceed 8% per annum payable semi-annually on the first days of May and November, and will mature in order of their number as follows:

Bond Nos.	Mat. Date	Amt.
1-3	May 1, 1972	\$3,000
4-6	May 1, 1973	3,000
7-9	May 1, 1974	3,000
10-12	May 1, 1975	3,000
13-15	May 1, 1976	3,000
16-18	May 1, 1977	3,000
19-22	May 1, 1978	4,000
23-26	May 1, 1979	4,000
27-30	May 1, 1980	4,000

The town has not reserved the right to redeem the bonds of this issue prior to scheduled maturities.

The town has irrevocably pledged itself to levy taxes annually within and as a part of the tax millage levy permitted to towns without a vote of the people in amounts sufficient to pay the principal of and interest on these bonds as the same shall become due.

NOTICE IS FURTHER GIVEN that sealed bids for the purchase of these bonds will be received by the Town Clerk at the Town Hall in Forks, Washington, until 5 o'clock P.M., Daylight Saving Time on the 27th day of April, 1970, at which time said bids will be publicly opened and considered by the Town Council.

Each bid submitted shall provide for payment of accrued interest to date of delivery and shall specify either (a) the lowest rate or rates of interest and premium above par at which the bidder will purchase said bonds, or (b) the lowest rate or rates of interest at which the bidder will purchase said bonds at par.

One or more rates of interest may be fixed for the bonds, which rate or rates must be in a multiple of 1/8 or 1/10 of 1%.

No interest rate shall exceed 8%. The interest rate shall be the same on all bonds maturing in any one year, and represented by one coupon for each installment. There shall not be a difference of more than 2% between the lowest and highest rates bid.

It is required that each bid state the total interest cost over the life of the bonds, less the premium, if any, and the net effective interest rate of such bid. Such statement shall not be deemed to be a part of such bid.

All bids shall be sealed and, except that of the State of Washington, shall be accompanied by a deposit of 5% of the amount of the bonds either in cash or by cashier's or certified check made payable to the Town Treasurer, which amount or check will be returned to the bidder if the bid is not accepted. If the successful bidder shall fail or neglect to complete the purchase of said bonds within thirty-five days from the acceptance of his bid, the amount so deposited shall be forfeited to the town.

The town reserves the right to reject any and all bids received and to waive any irregularities therein.

Printed bonds will be furnished by the town.

The opinion of Preston, Thorgrimson, Starin, Ellis & Holman, bond counsel of Seattle, Washington, approving the legality of the issuance of these bonds, will be furnished the successful bidder and will be reproduced on each of said bonds, all at the expense of the town.

The customary signature identification and nonlitigation certificate will be included in the closing documents.

DATED at Forks, Washington, this 23rd day of March, 1970.

The Luther League of Prince of Peace Lutheran Church will be having a car wash from 9-4 on April 4, also a bake sale on April 10. The proceeds from this will go toward a trip to a Lutheran convention in New York.
