4TH OF JULY PREVIEW

It is almost time for the annual Forks Fourth of July celebration, and excitement is building in spite of the weather.

As in years past, for the boxing fans in Forks, Bud Jagger will present the Fourth of July smoker. Six bouts of great boxing are scheduled.

And for the young or the not-so-young, a street dance in the old fashioned tradition of pop and polka tunes on Bob Joutsen's Texaco parking lot will be held from 9 p.m. to 12 p.m., Friday, July 2.

Saturday morning bright and early at 9:00 a.m., there is a flag raising ceremony at the Triangle. The Forks V.F.W. Post is in charge. The Port Angeles band will play the Star Spangled Banner.

There's time for a nap and dinner after the logging show. The teen dance is at 9:00 p.m. Jim Howard is in charge of choosing the band. Mr. and Mrs. John Leppell, Jr. are chaperones. The adult dance is at Quillayute Hangar. Verl Poole, Fourth of July chairman, is in charge of this event.

Things are down to a slower pace Sunday with worship services at the church of your choice.

The motorcycle scrambles and the minibike races are at 12:30. Wes Chilson is in charge. The youngsters in the minibike races must meet a thorough inspection of their equipment before they will be allowed to ride.

The next event is the demoli tion derby. This great event starts at 3:00 p.m. Tiny Aanderud is in charge. A special event is a pit sign contest. There are also plans for acts between the events to take up the time lapse incurred in moving the cars. Competition will be stiff this year so better get those cars in shape! The time is 3:00 p.m.

To end the events and give you an extra day to relax, the fireworks will be held Sunday at dark at Tillicum Park. Bring the kids and enjoy a gigantic fireworks display.

CHAMBER OF COMMERCE

Forks Chamber of Commerce met June 16 at the Vagabond with approximately 12 guests present. President Verl Poole commented on the up-coming Fourth of July festivities. The Loggerettes are selling tickets on the pickup and up to date \$400.00 has been turned in. The queen candidates were guests on the "Breakfast at The Vagabond" show June 14 over KVAC radio and started their campaign the same day selling Fourth of July buttons.

Speaker for the meeting was Clallam County Planner Ken Sweeney, who, after a short introduction as to why land use planning was necessary, He explained that his job was to gather facts about population, economy, geological factors and existing land use.

county. Between 1950-60 the increase was 12.7 percent or 30,000 for a total in 1960. During 1970 the increase was 15.8 percent or 34,770 total. By 1985 an increase of 33 percent or a total of 46,400 people is predicted. In Forks the population was 1160 in 1960 and in 1970 it had grown to 1665 of a 44 percent increase. By December 1971 they have estimated a population of 1,713 for Forks.

Preparation of a mobile home ordinance, sub-division ordinance, short plan ordinance, solid waste disposal, shoreline management act and decision to do a sewer study are just a few of the projects underway in the county by the planning commission.

A question and answer period followed Mr. Sweeney's informative talk.

The next Chamber meeting is scheduled for Wednesday, July 21, 1971, at the Vagabond Restaurant.

Local Postmaster At Convention

Postmaster Henry Bechtold of Forks was one of two hundred postmasters and guests who attended the 36th annual convention of the Washington Chapter, National Association of Postmasters, in Spokane last week.

Postmaster Bechtold participated in the seminars and panel discussions which were an important part of the convention program. The paramount topic was concerned with the sweeping changes which are occurring within the postal service, preparing for the change over to the new organization on July 1, 1971

Mr. Bechtold learned that service on a business-like basis will be the credo of the new U.S. Postal Service, and returned home better prepared to meet the challenges the future will present in improving the mail service.

Editorial By Gordon Otos

John Richards is dead. Personally, my first concern was for his parents, relatives and those who were close to him. Then I began to think about the young man who, for a few short months, was the rallying point for all the antagonisms...real and imagined.... that Indians in this area feel. Then I had a thought that sickened me; a thought which undoubtedly ran across many people's minds, "That takes care of this problem." But does it?

I feel sorry for the people who championed John's cause whether good or bad. I feel sorry for the people with closed minds who have condemned all that has transpired. But ultimately I feel sorry for the individuals who took a young man with extra intelligence... which no one denies.... used him, made a mockery of him, put words in his mouth, primed him, set him up as a pigeon to further causes which they were promoting, then dropped him leaving him to become a misdirected, abandoned young man. John Richards failed to realize he was being exploited, and died uselessly.

John Richards is not unique. Young people world-wide are being exploited in this same manner. How many John Richards will it take for young and old alike to realize this?

Unfortunately, time cannot be reversed. The question is, where do we go from here?' Rational thinking needs to be cultivated in young and old alike. The lack of it this past year has resulted in an almost impossible task for the school administration and school board.

No one denies that the school administration and the school board have made mistakes. No one can assure the administration and board will not make mistakes in the future. But now is now. This past year's school board has undoubtedly been the best qualified this district has ever known, yet their voluntary task has been such an intolerable one that 2 board members have resigned. Who will replace them? Who would want to! And without qualified school board members, what lies ahead for Forks children? One can only hope that those members who resigned will reconsider their decisions.

The fact that good can come from evil is not a new idea. Is it asking too much for us to work together constructively to find solutions to our problems instead of tearing down the progress which has already been made?

Whether we like it or not, our town is growing up.

Pat Tierney was chosen Lion of the Year and presented with a plaque at the Lions Club charter night at Fairholm Restaurant June 12. Approximately 80 people attended from Forks, Sequim and Port Angeles. Also, guests as far away as California and Pennsylvania were there for the occasion. They adopted a new club pin commemorating the logging industry. John Rosmond also received a plaque for zone chairman for

district 19-I-1 from the club and the zone.

Postal

service day

Postmaster Henry Bechtold invites the people of the community to visit the post office on July 1, 1971, to help celebrate Postal Service Day. Visitors vill be given a free souvenir envelope commemorating the inauguration of the United States Postal Service, and this envelope will also be available as a first day cancellation for the cost of an 8ϕ stamp. There will also be available on request a Postal Service Eooklet which describes the new Postal Service and how it works.

Postmaster Bechtold will conduct tours of the work areas of the post office and refreshments will be served.

Made it thru another Father's Day in not too bad a shape. Only one thing wrong, I'm a year older. Seems like the years go by like a picket fence anymore.

Kathy Decker hit a 190-537 in the Junior Senior Mixed, Jess Parris a 214-563, Mark Henry 197-531, Ronnie Gale 144-381 with a 107 average. Theresa Decker 153-374, Edna Markham 105 with a 70 average, and Sandy Parris a 256 series. These kids are something else. They get more excited over a 100 game than most grown ups would get over a 250.

In Thursday Nite Mixed, Gladys Allen had 180-505, Reta O'Keefe 181, and Bob West a 213-561. Streeter and Allen won first place in this league.

In Saturday Nite Monte Carlo, Arden Prissel had the T.V. shot, Gordy and Gladys Allen the first two money shots, Lotus Huling the third shot and Lonnie Hamby the fourth. And the money turned out to be as elusive as ever.

In the Summer Singles at Laurel Lanes, Forks bowlers won a good share of the prize money, with Vern Rondeau taking first with a 657, Jess Parris placed with a 633, Lou Suchodolski won second place with a 685. Kathy Decker third with 684, Reta O'Keefe fourth with 660. Kathy Decker and Dave Allen placed first in the Mixed Doubles with 1309, and Darrell and Leta tied for fourth with a 1264.

In the BPAA team state finals, Bob's Texaco ended up in 18th place, Brager Bros. Log 20th place, and Fitts Log 53rd. Not too shabby.

SPORTS AT A GLANCE

By Greg Allen

One group of young men who have been left out the last few articles are the men of the Babe Ruth League. So to give them equal time, we'll devote this article to these kids who, by their record, deserve it. Last Wednesday Forks took on the teamheralding from Sequim. Ken Olson did the pitching honors for Forks and went the distance to add a win to his records. Neglect on my par leaves me at a loss for his record, but if this game is the standard on Ken's records, he should have no problem for the remainder of the season. Ken struck out eight, walked four, and let his fielders work some that night. The Sequim pitcher had eight strike-outs and two walks, with 26 batters getting to the box. In the first frame, the Forks lineup went like this: Blair started things off with a strike-out. Jeff got and swatted a double to len field. Klahn sent a single over the second baseman's head. Things slowed up some as Olson flew out to the first baseman. But luck began running again as Jeff walked, and Warren belted a single just to the left of the second baseman. Then Leppell came in time to sock one dead center, create an error, and advance to first. At the end of the first half of the first inning, Forks found themselves with a comfortable 4-run lead. Sequim got up in time to send three up and three down in that

ererererererer be south

order. Forks had an uneventful second inning without adding to their score. A couple more names were added as Lane and Rick made it to the box. Sequim again went up and down in order. Forks had some action in their half of the third, as Jeff hit a single to right causing the right fielder to create an error. Klahn walked, Olson struck out, Jeff flew out to left and Warren struck out. Even with a short half, Forks added two more points. In their half, Sequim sent up three men only to be backout in the field after those three men.

In the fourth, Forks didn't add to the score but there was some action as Dedman belted a single to right and Blair singled in that frame, too. Sequim had some action on their side of the inning as they added their only two runs of the game. The rest of the way for Sequim was, with the excer tion of a walk, three up and three down. Forks added three in the sixth and one in the seventh.

This run-down was for the game of June 16, 1971. By the way, Forks walked on Sequim 10 to 2. I've been saying that these games are good, and by the sounds of this one, I've been correct. So if you haven't attended the games yet, do so now! You will have a good time. Until next time. Babe Ruth men will keep sluggin'.

PIONEER CLUB

Charles and Marie Lewis were unanimously elected to be pioneer couple of the day for

Forks Fourth of July celebra tion. Discussion of a community

center brought up the need for local museum to display treasures of the past; how to finance it and manage it, perhaps in a community center when it is built.

Betty Munson played piano for Esther Floe. Art Munson and Dave Anderson sang. Del and Murial Huggins and grandson, Alan LaGambina showed their most interesting slides and movies taken recently in Central African Republic and Chad. They also had an album of photos, native spears and knives, a 6-string musical instrument, 2 drums made of African mahogany and animal skins.

Pioneers will meet June 25, at the Sportsmen's clubhouse at 8 p.m. Potluck supper will follov the meeting. The program will feature slides shown by Riss Thomas of the Olympic Penirsula area. The public is welcome.

night banquet. The theme of "Woodland Wonders" was carried out with birdhouse and bird feeder centerpieces made by the Prairie Dogs 4-H Club, assisted by Mrs. Ron Shearer and Mrs. Pat LaChapelle.
