Wisconsin; cousin Jack Dempsey, the former heavyweight boxing king, and cousin Jim Farley, who now sells soft drinks but used to sell the nation's stamps when the Democrats ran the White House. Yes, we all can prove the pure green of Erin's mystic kings flows in our veins, thanks to research work by an Irish sportsman, the Hon. Francis de Moleyns.

(Editor's note: This guy's an Boyle's note: Yep, His folks used to spell it Mullins. But once, while they were in the Irish sea, they got lost in a fog that blew over from London. By mistake they landed in France. When the fog finally lifted again, some 400 years ago, they sailed right back to County Kerry. Naturally during their long stay in France they had forgotten how to spell, and they've been De Moleyns ever since.

> disaster to his own name, De Moleyns became interested in Irish history. He backtracked some 1,600 well known Irish names. As the Irish in Ireland are already where they came from, they don't offer much of a market for this information. But for the American Irish, De Moleyns has opened a shop off Park Avenue where for from \$5 to \$12.50 they can buy a necktie or scarf emblazoned with their family crest and get a green card that bears some of the more printable facts about their heredity.

Anyway, perhaps because of the

FORKED OUT FIVER Well, sir, I forked out my fiver for the tie and card. And guesswho I am? It seems there was once upon a time an Irishman called Niall Mor, who as practically everybody knows was the 126th monarch of Ireland, and ancestor of Chief O'Baoghill. This is Gaelic for O'Boghill,

which I gather means we sprang from a high place in a swamp. The English, who came to Ireland for a brief visit and stayed on for several centuries, lured my innocent ancestors into changing the name from O'Baoghill to Boghill, then Boylagh and then Boyle. My free-wheeling clansmen once

ran the Barony of Boylagh, but somebody sure must have foreclosed a lot of mortgages on them. For Grandfather Boyle, who emigrated here in the last century, spent most of his life digging coal in a Missouri pit he never owned. FAMILY CREST Surely you're aching to know

about my family crest? Well, it is red heart, a cross and a battle ice triumphant over what looks ike a fallen barber pole, "Does this racan that some-

where along the line we quelled a parber single-handed?" I asked the lady in the shop.

and white striples simply are the colors of a lady fair, which one your ancestors wore in knightly combat. He had the crest fixed his helmet so that in battle other warriors could say, There goes Boyle." (Editor's note: Which way was i

he going—forward or backward?) (Boyle's note: Forward, of course. This was my ancestor-

Jim Farley's crest is the head of an antelope with an arrow through its neck, (My, how history does repeat itself.) The crest of Jack Dempsey is a rampant lion swinging a short powerful sword. Sen. McCarthy's crest shows a big and squeezing a groggy lizard. The reptile is green, not red. When I proudly showed my crest and green card pedigree to my vife, Frances, she merely said:

"Listen Rover-or Royal O'Bogoill or son of Wampeliff, or whatever you call yourself, you still have to carry the kitchen garbage out to the incererator, and I mean

There is one place in America where it is simply impossible for an Irishman to really feel like the descendant of kings. This is the place called-home.

Dulles Walks Out On Interview Over Yalta Paper Query

WASHINGTON (A) - Secretary of State Dulles angrily refused to answer and stalked away Thursday when a reporter asked why he released the controversial Yalta papers at this time.

Earlier he had told newsmen he expected the controversy over Yalta "will go on through the ages." This was in response to a quesion whether he thought publicaof the voluminous record of ould quiet the partisant political Roosevelt-Churchill-Stalin meeting in the Soviet Crimea in February The incident occurred at the Mil-

itary Air Transport Service terminal as Dulles was about to board a plane for Ottawa and his first state visit to Canada. With Canadian Ambassador

Arnold Heeney, Dulles took up á position before microphones and cameras. The first question, from CBS reporter Pete Clapper, was: "Mr. Secretary, why did you re-Jease the Yalta papers at this fines speculation, however, as a time?" Dulles flushed, took a couple of

steps toward Clapper and thrust "I'm not going to stand here assumes in its daily operations, at this time (to) make a statement and even in existing at all. Its about Canada and have a ques-
