ABOUT THE AUDIT

This report contains the results of our independent accountability audit of the North Olympic Library System.

We performed audit procedures to determine whether the District complied with state laws and regulations and its own policies and procedures. We also examined District management’s accountability for public resources. Our work focused on specific areas that have potential for abuse and misuse of public resources.

Areas examined during the audit were selected using financial transactions from January 1, 2006, through December 31, 2007.

RESULTS

The District complied with state laws and regulations and its own policies and procedures in the areas we examined. Internal controls were adequate to safeguard public assets.

RELATED REPORTS

Our opinion on the District’s financial statements is provided in a separate report, which includes the District’s financial statements.

CLOSING REMARKS

We thank District officials and personnel for their assistance and cooperation during the audit.

AUDIT HISTORY

We audit the District every two years. The District had no audit findings in past audits. Audit concerns are often discussed, addressed and resolved before completion of our audit.
