Independent Auditor’s Report on Internal Control over Financial Reporting and on Compliance and Other Matters in Accordance with Government Auditing Standards

North Olympic Library System
Clallam County
January 1, 2008 through December 31, 2009

Board of Trustees
North Olympic Library System
Port Angeles, Washington

We have audited the financial statements of the North Olympic Library System, Clallam County, Washington, as of and for the years ended December 31, 2009 and 2008, and have issued our report thereon dated November 15, 2010.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audits, we considered the District’s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District’s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the District’s internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the District’s financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.
COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of the District's compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended for the information and use of management and the Board of Trustees. However, this report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

Independent Auditor’s Report on Financial Statements

North Olympic Library System  
Clallam County  
January 1, 2008 through December 31, 2009

Board of Trustees  
North Olympic Library System  
Port Angeles, Washington

We have audited the accompanying financial statements of the North Olympic Library System, Clallam County, Washington, for the years ended December 31, 2009 and 2008. These financial statements are the responsibility of the District’s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1b to the financial statements, the District prepares its financial statements on the basis of accounting that demonstrates compliance with Washington State statutes and the Budgeting, Accounting and Reporting System (BARS) manual prescribed by the State Auditor, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position and results of operations of the North Olympic Library System, for the years ended December 31, 2009 and 2008, on the basis of accounting described in Note 1b.

In accordance with Government Auditing Standards, we have also issued our report on our consideration of the District’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide...
an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audits.

NOTE 1 -- SUMMARY OF ACCOUNTING POLICIES

The North Olympic Library System is a special purpose government that provides library services to the general public and is supported primarily through property taxes. The District operates under Chapter 27.12 RCW, the laws of the state of Washington applicable to a library district.

a. Fund Accounting

The accounts of the District are organized on the basis of funds, each of which is considered a separate accounting entity. Each fund is accounted for with a separate set of single-entry accounts that comprises its cash, investments, revenues and expenditures, as appropriate.

General (Current Expense) Fund

This fund is the primary operating fund of the District. It accounts for all financial resources.

b. Basis of Accounting

The North Olympic Library System reports financial activity using the revenue and expenditure classifications, statements and schedule contained in the Cash Basis Budgeting, Accounting and Reporting System (BARS) manual for Libraries. This basis of accounting and reporting is an other comprehensive basis of accounting (OCBOA) that is prescribed by the State Auditor’s Office under the authority of Washington State law, Chapter 43.09 RCW.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Revenues are recognized only when cash is received and expenditures are recognized when paid.

Purchases of capital assets are expensed during the year of acquisition. There is no capitalization of fixed assets, nor allocation of depreciation expense. Inventory, including collection materials, is expensed when purchased.

c. Cash

It is the District’s policy to invest all temporary cash surpluses. The amount is included on the statement of resources and uses arising from cash transactions as net cash and investments.

d. Deposits

The District’s deposits (and certificates of deposit) are covered by the Federal Deposit Insurance Corporation and/or the Washington Public Deposit Protection Commission.

e. Collection Materials

Collection materials (books, magazines, videos, audiotapes, etc.) are recorded as operating expenditures when purchased.

f. Capital Assets

Capital assets are long-lived assets of the District and are recorded as capital expenditures when purchased.
g. Compensated Absences
Vacation pay may be accumulated up to 225 hours and is payable upon separation or retirement. Sick leave may accumulate indefinitely. Upon separation or retirement employees receive payment for 20% of unused sick leave hours.

NOTE 2 -- INVESTMENTS
The North Olympic Library System's investments are held by the Clallam County Treasurer as its agent in the District's name. Investments by type at December 31, 2009, were as follows:

NOTE 3 -- LONG-TERM DEBT
As of December 31, 2009, the District had no debt.

NOTE 4 -- PENSION PLANS
Substantially all of the North Olympic Library System's full-time and qualifying part-time employees participate in the Public Employees Retirement System (PERS) plans administered by the Department of Retirement Systems, under cost-sharing multiple-employer public employee defined benefit retirement systems. Actuarial information is on a system-wide basis and is not considered pertinent to the District's financial statements. Contributions to the systems by both employee and employer are based upon gross wages covered by plan benefits.

Historical trend or other information regarding each plan is presented in the state Department of Retirement Systems annual financial report. A copy of this report may be obtained at:

ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the state's Constitution and is part of the executive branch of state government. The State Auditor is elected by the citizens of Washington and serves four-year terms.

Our mission is to work in cooperation with our audit clients and citizens as an advocate for government accountability. As an elected agency, the State Auditor's Office has the independence necessary to objectively perform audits and investigations. Our audits are designed to comply with professional standards as well as to satisfy the requirements of federal, state, and local laws.

The State Auditor's Office employees are located around the state to deliver our services effectively and efficiently.

Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits of state agencies and local governments and fraud, whistleblower and citizen hotline investigations.

The results of our work are widely distributed through a variety of reports, which are available on our Web site and through our free, electronic subscription service. We continue to refine our reporting efforts to ensure the results of our audits are useful and understandable.

We take our role as partners in accountability seriously. We provide training and technical assistance to governments and have an extensive quality assurance program.
