The North Olympic Library System (NOLS) is pleased to announce that over 3,000 popular magazines are now available to read on any device 24/7. For the first time, library card holders can read digital magazines alongside eBooks and eAudiobooks on [Libby](#), or by visiting anytime.overdrive.com/anytime-north/magazines. Top titles include *Cook's Illustrated*, *Field and Stream*, *Mother Earth News*, and many other popular magazines. Over 1,200 regularly-published magazines are available in English, along with 1,300 special single-issue English-language titles, nearly 200 Spanish-language titles, and over 650 titles in other languages, including Chinese, Japanese, French, and more!

Digital magazines available include *Bride & Groom*, *Bicycling*, *Cosmo*, *Family Tree*, *Fly Fisherman*, *Home Design*, *McCall's Quilting*, *Men's Health*, *Military History*, *National Geographic History*, and hundreds more.

Digital magazines have no wait lists or holds, do not count towards checkout limits, and provide readers the option to renew their selections. NOLS patrons can also download magazines to the Libby app for offline use. Readers can browse lists of magazines within the app and search

by format to find available titles. All titles will automatically expire at the end of the lending period. There are no late fees.

Readers can use the Libby app to browse NOLS' digital collection, instantly borrow titles, and start reading or listening—all free with a NOLS library card. Libby is compatible with all major devices: iPhone®, iPad®, Android™ phones and tablets, and Chromebook™. Through Libby, readers can also “send to Kindle®”.

To get started enjoying magazines, eBooks, and eAudiobooks, download the Libby app or visit anytime.overdrive.com. For help with accessing the E-Collection, visit nols.org/tech-help.

The advertisement features a teal background. In the top right corner, the 'OverDrive' logo is displayed. On the left, a smartphone screen shows the Libby app interface with the title 'Magazines' at the top. The screen displays four magazine covers: 'GO' with Timothée Chalamet, 'MEN'S JOURNAL' with Jon Hamm, 'NATIONAL GEOGRAPHIC' with a dinosaur, and 'VANITY FAIR' with Gail Gabot. Below the covers, it says 'Over 250 Titles >'. At the bottom of the phone screen, there are 'Library' and 'Shelf' buttons, and a circular icon with a book and a play button. To the right of the phone, the text reads 'New magazines available now!' followed by 'Supplied by ZINIO'. Below this is a circular icon with a book and a play button, and the text 'Read on Libby. The one-tap reading app from our library.' At the bottom right, there are logos for 'Available on the App Store' and 'GET IT ON Google Play'.

Digital magazines now available with your NOLS card.
