Re: NOLS Seeks Artists to Design New Bookmobile Exterior Graphics
Attached: Clallam County Library Bookmobile.jpg

The North Olympic Library System (NOLS) is seeking to hire an artist to design the exterior vehicle lettering and graphic design for a new Bookmobile Sprinter Van. Vehicle lettering includes a combination of lettering and or decals that are digitally printed wrap vinyl and then cut into a shape or cut out of standard solid colored vinyl.

The deadline for submissions is Wednesday, February 23. Local artists from the North Olympic Peninsula are encouraged to apply. All artists are welcome to apply and will be considered. Details about the application process and bookmobile service can be found at nols.org/bookmobile.

NOLS will work with the selected artist to determine payment terms, agreeable to both parties. A contract covering timeline, deliverables, and payment will be agreed to before work begins.

About the Bookmobile Service and the North Olympic Library System

NOLS is a rural county library district with four primary service sites: the Main Library located in Port Angeles, and branches located in Sequim, Forks, and Clallam Bay. In mid-2022, the Library will be expanding to include a Bookmobile serving additional areas of the county.

The Bookmobile will make regular stops throughout the county and allow the library to be at special community events. Promoting library services at community events, through community partners and their base, and with NOLS' strong communications and social media presence, positions NOLS to connect resources and needs throughout Clallam County while fostering relationships between school districts, and other community agencies.

More information about future Bookmobile plans and the history of bookmobile service in Clallam County can be found at nols.org/bookmobile. All questions about the call for artists or the Bookmobile service should be directed to Troi Gale, West End Library Manager, at 360-374-6402 ext. 7793 or bookmobile@nols.org
