Attached: Health and Human Services Logo

The North Olympic Library System is partnering with the Clallam County Department of Health & Human Services to provide FREE rapid antigen COVID-19 testing kits to residents of Clallam County who have been exposed to COVID or are experiencing symptoms.

The self-administered home test is **available for pick up at the library curbside window**. At-home results are available in 15 minutes. If your rapid test comes back positive for COVID-19, please report your results to www.clallam.net/coronavirus. Do not return tests to the library.

Do not enter the library if you are experiencing symptoms or believe you may have been exposed.

Pick up testing kits at:

- Port Angeles Main Library at 2210 South Peabody St. Visit the curbside window for pick up, located to the left of the front entrance.
- Sequim Branch Library at 630 North Sequim Ave. Visit the curbside table at the front entrance and ring the bell for assistance.

- Forks Branch Library at 171 S Forks Ave. Visit the curbside window (drive-up window on the back of the building) for pick up.
- Clallam Bay Branch Library at 16990 Hwy 112, Visit the curbside window (the last window on the ramp before the entrance) for pick up.

Once you arrive at curbside, you can expect NOLS staff to ask you how many people are in your household, if you currently have COVID symptoms and if you have been exposed to COVID. Supplies are limited and household quantity limits apply.
