***Build It!* program at Forks Branch Library and Port Angeles Main Library**

The North Olympic Library System (NOLS) is offering monthly *Build It!* programs at the Forks Branch Library and the Port Angeles Main Library, September-December. Kids can let their imaginations run free while they construct their own creations using LEGO® bricks.

Participants are encouraged to write a story about their creation, which will be photographed during the program.

Parents or caregivers are asked to accompany all children under 8 years old. All materials are provided. LEGO® bricks and creations will remain in the Library at the conclusion of each program.

Program Schedule:

Forks Branch Library

First Saturday of the month, 2-4pm; September 3, October 1, November 5, and December 3.

Port Angeles Main Library

Third Saturday of the month, 10am-12pm; September 17, October 15, November 19, December 17.
