The North Olympic Library System (NOLS) is hosting Spring Break STEAM Stations geared toward elementary school students on Wednesday, April 5, from 3-4pm at the Forks Branch Library, and on Thursday, April 6, from 3-4pm at the Clallam Bay Branch Library.

Drop in to explore and experiment with hands-on learning activities. Make slime, try an Hour of Code for computer science fun, and explore electronics with Snap Circuits!

For more information, visit www.nols.org/steam, call 360.417.8500, or email discover@nols.org. This program is generously supported by Friends of Forks Library and Clallam Bay Friends of the Library.

Kids can try hands-on activities like making slime at the Library's Spring Break STEAM Stations.
