Explore tidepools in Clallam Bay with Feiro Marine Life Center, July 7

As part of the Summer Reading Program, the North Olympic Library System (NOLS) is partnering with Feiro Marine Life Center to provide a morning of tidepool exploration. People of all ages are invited to learn about sea stars, anemones, and other treasures of the Salish Sea with educators from Feiro. The event begins at 10am on Friday, July 7, at Slip Point Lighthouse in Clallam Bay.

Participants are to meet at the lighthouse at the end of Frontier Street and should wear sturdy, nonslip shoes. Kids ages 12 and under must be accompanied by an adult. Event details can be found at nols.org/tidepool.

Feiro Marine Life Center is located on the Port Angeles City Pier and provides local marine and watershed learning experiences. Learn more about the center at feiromarinelifecenter.org.
