Re: Solar Eclipse STEAM Stations at Sequim and West End Libraries

The North Olympic Library System (NOLS) is hosting **Solar Eclipse STEAM Stations** with hands-on activities for children in kindergarten through grade 7. Drop in to the free events at **Sequim Branch Library on the outdoor stage from 10:30-11:30am Saturday, Sept. 30; Clallam Bay Branch Library from 1-3pm Wednesday, Oct. 4; and Forks Branch Library from 3-4pm Saturday, Oct. 7.** The Sequim event will move indoors to Sequim Middle School in the case of inclement weather.

Kids will learn about eclipses and space science – and take home a pair of eclipse glasses – in preparation for the solar eclipse that will cross North America on Oct. 14. Activities include drawing an eclipse cycle with chalk, sculpting planets out of clay, and building a solar system with LEGO bricks.

For more information, visit nols.org/eclipse, call 360.683.1161, or email discover@nols.org.

This program is supported in part by local Friends of the Library groups.
